- 3 [09.19.10]
- 4 MR. PRESIDENT:
- 5 The Court is now in session regarding the facts on the
- 6 implementation of the CPK's policy at S-21.
- 7 The Greffier, please verify the attendance of the parties to the
- 8 proceedings.
- 9 THE GREFFIER:
- 10 Your Honour the President, parties to the proceedings are
- 11 present. Today there is a civil party lawyer, Ms. Elizabeth
- 12 Rabesandratana.
- 13 MR. PRESIDENT:
- 14 In order to make sure that the Internal Rules are well applied,
- 15 we would like to invite the civil party lawyer, group 3, to
- 16 request for the recognition of the Chamber for the new lawyer.
- 17 MR. KIM MENGKHY:
- 18 Thank you, Mr. President and Your Honours. I am Kim Mengkhy, the
- 19 lawyer representing civil party group 3 and would like to request
- 20 for the recognition of Mrs. Elizabeth Rabesandratana from France,
- 21 and she is a member of the Bar Association of International
- 22 Criminal Bar, and also we would like to seek recognition for her.
- 23 MR. PRESIDENT:
- 24 Mrs. Elizabeth Rabesandratana, now you are recognized as the

- 1 you can enjoy the right and privilege as your national co-lawyer

- 3 The security officials, please bring the accused to the dock.
- 4 [09.22.49]
- 5 MR. PRESIDENT:
- 6 Next the floor is given to Judge Lavergne to continue the
- 7 questionings regarding the facts at issue as scheduled.
- 8 The floor is yours.
- 9 JUDGE LAVERGNE:
- 10 Thank you, Mr. President. I'd like to recall that before we
- 11 adjourned it was agreed that we would try to shorten hearing
- 12 times, and that thus we would have the various paragraphs read
- 13 out. That is the document called, "Defence Position on Facts in
- 14 the Closing Order." Concerning the subject before us now, which
- is the implementation of the CPK policy in S 21, accordingly we
- 16 read out paragraphs 58 to 66 including comments made by the
- 17 accused in the document.
- 18 I also recall that for the proper administration of justice and
- 19 the clarity of proceedings that, when necessary, further comments
- 20 may be requested of the accused or he may spontaneously provide
- 21 such comments himself. I also recall that the last comment made
- 22 by the accused was the following:
- 23 "The S-21 centre had a unique position by virtue of its nature
- 24 because S 21 was located near the Central Committee, and this
- 25 security centre was considered to be a tool exclusively for the

- 1 use of the Central Committee. The committee itself had the power
- 2 to bring prisoners from the entire national territory to S-21,
- 3 and therefore S-21 fell within the ambit of the Central
- 4 Committee's authority, but S-21 did not itself have the authority
- 5 to carry out such actions."
- 6 [09.25.43]
- 7 These are the last comments in the transcript. We shall continue
- 8 and I shall ask the Greffier to continue reading the paragraphs,
- 9 starting with paragraph 67, adding the comments that appear in
- 10 the document.
- 11 MR. PRESIDENT:
- 12 The Greffier, please continue reading the paragraphs, starting
- 13 from paragraph 67.
- 14 THE GREFFIER:
- 15 Paragraph 67:
- 16 (No interpretation)
- 17 MR. PRESIDENT:
- 18 The Greffier, could you please pause a little while before we can
- 19 really make sure that the reading of the facts as agreed are
- 20 consistent with the Khmer version.
- 21 [09.27.35]
- 22 JUDGE LAVERGNE:
- 23 I do not think that we heard the French translation. Was there
- 24 translation into English?
- 25 What I suggest, perhaps, is that paragraph 67 be re-read,

- 2 MR. PRESIDENT:
- 3 Ms. Se Kolvuthy, you can proceed reading paragraph 67 again.
- 4 Are the interpreters ready?
- 5 Ms. Se Kolvuthy, please continue reading paragraph 67.
- 6 MS. SE. KOLVUTHY:
- 7 Your Honours, I think the interpreter have got the wrong version
- 8 of the readings.
- 9 (Technical difficulties)
- 10 [09.33.40]
- 11 JUDGE CARTWRIGHT:
- 12 Yes, this is information for the interpreters. We understand
- 13 that the interpreters do not have the latest version of the
- 14 statement on agreed facts. You will shortly be supplied with the
- 15 ERN numbers for the French and Khmer but the English is not yet
- 16 on the case file, and as you don't have email we will make sure
- 17 you get a copy very soon because there's one available in English
- 18 which will be coming to you any moment now, as I understand it.
- 19 Is that the position from the Greffier? Yes. So we need to take
- 20 a short pause until that is all put together.
- 21 Thank you.
- 22 (Short pause)
- 23 JUDGE CARTWRIGHT:
- 24 This is information for the interpreters, the number of the
- 25 document in Khmer and in French is E5/11/6.1. The Khmer ERN is

- 3 Do you have that clearly?
- 4 THE INTERPRETER:
- 5 Yes, we do, Your Honour.
- 6 [09.39.33]
- 7 MR. PRESIDENT:
- 8 Ms. Se Kolvuthy, please read paragraph 67 again and the following
- 9 paragraphs also.
- 10 THE GREFFIER:
- 11 Paragraph 67: "As with all CPK political lines, the policy of
- 12 smashing enemies was global. It stood for S-21, for the entire
- 13 Party, the military, the state authority in the bases and the
- 14 police officers throughout the country."
- 15 Paragraph 33 of the Closing Order -- the following sentences from
- 16 paragraph 33 of the Closing Order should be added: "Duch stated
- 17 that specific decisions concerning the persons to be sent to S-21
- 18 were made by his superiors. While the exact role of his
- 19 superiors is currently the subject of a separate judicial
- 20 investigation, Duch has declared that S-21 was run directly by
- 21 the Central Committee."
- 22 [9.41.04]
- 23 BY JUDGE LAVERGNE:
- 24 Q.Does the accused have any extra comments concerning what was
- 25 just read?

- 1 A. Your Honours, I only would like paragraph 33 of the Closing
- 2 Order to be read out to the Court as following.
- 3 Q.In order to simplify things could you please simply tell us if
- 4 there is anything that you would like to be clarified in relation
- 5 to what was already said? I don't think that it is necessary to
- 6 read the whole paragraph again. But, however, is there anything
- 7 that you deem is not included in the document that the Greffier
- 8 just read out to us?
- 9 A.Your Honours, I only want to state that my superior first was
- 10 Son Sen; next was Nuon Chea. Although Son Sen or Nuon Chea -- I
- 11 used the word the Central Party to refer to these two individuals
- 12 during that regime. That's what I want to confirm, whether we
- 13 want to refer to them as Son Sen, Nuon Chea, or the Central
- 14 Party; they were all the same.
- 15 [09.44.12]
- 16 THE PRESIDENT:
- 17 The Greffier, please continue.
- 18 THE GREFFIER:
- 19 Paragraph 68:
- 20 "Duch primarily dealt direct with Son Sen and Nuon Chea, alias
- 21 Brother Number Two, the Deputy Secretary of the CPK, both of whom
- 22 he believed to be acting on behalf of the Standing Committee.
- 23 Paragraph 33 of the Closing Order."
- 24 JUDGE LAVERGNE:
- 25 Another reference to paragraph 33, which is included in paragraph

- 1 69, which we could also read out right now.
- 2 THE GREFFIER:
- 3 Paragraph 69:
- 4 "The Standing Committee had authority..."
- 5 [09.46.08]
- 6 THE PRESIDENT: Could you please read paragraph 33 of the Closing
- 7 Order instead?
- 8 THE GREFFIER:
- 9 Paragraph 33:
- 10 "Duch indicated that, as with all CPK political lines, the
- 11 policy of smashing enemies was global. It stood for S-21, for
- 12 the entire Party, the military, the state authority in the bases
- and the police offices throughout the country. Duch stated that
- 14 specific decisions concerning the persons to be sent to S-21 were
- 15 made by his superiors. While the exact role of his superiors is
- 16 currently the subject of a separate judicial investigation, Duch
- 17 has declared that S-21 was run directly by the Central Committee,
- 18 as quoted. Duch specified, however, that he primarily dealt
- 19 directly with Son Sen and Nuon Chea, alias Brother Number Two,
- 20 the Deputy Secretary of the CPK, both of whom he believed to be
- 21 acting on behalf of the Standing Committee."
- 22 JUDGE LAVERGNE:
- 23 Q.Does the accused have any specific comments to make concerning
- 24 what was just read out?
- 25 A.I already stated that my superiors were Son Sen or Nuon Chea

- 1 or the Standing Committee. I do not try to evade my response.
- 2 THE PRESIDENT:
- 3 The Greffier, please continue reading the next paragraph.
- 4 [9.38.53]
- 5 THE GREFFIER:
- 6 Paragraph 69:
- 7 "The Standing Committee had authority in respect of S-21
- 8 operations.
- 9 Paragraph 33 of the Closing Order, but it should be noted that
- 10 the sentence does not appear in the Closing Order."
- 11 Paragraph 70:
- 12 "Although the policy of smashing enemies appears to have
- 13 remained in force both before and throughout the temporal
- 14 jurisdiction of the ECCC, the definition of those perceived to be
- 15 enemies of the CPK evolved and broadened over the period as a
- 16 result of domestic developments and the international armed
- 17 conflict between Cambodia and Vietnam.
- 18 Paragraph 34 of the Closing Order."
- 19 [09.49.57]
- 20 MR. ROUX:
- 21 Mr. President, I think the reading should be complete, and in the
- 22 document that you have here it is indicated non-disputed. So you
- 23 should read out, please, "non-disputed" if it is indeed indicated
- 24 on your document. You should therefore indicate each time when
- 25 there is agreement, when there is disagreement, or when the fact

- 1 is not disputed. And here at the end of this paragraph it is
- 2 written down "non-disputed" and I would like this to be read out.
- 3 Thank you.
- 4 BY JUDGE LAVERGNE:
- 5 Q.In order to clarify the proceedings, could the accused please
- 6 specify to us the difference between the facts that he makes that
- 7 are non-disputed and the facts to which he agrees?
- 8 A.That I said "agreed" because I know the story and I am aware
- 9 of it, and I saw it and I have done or I have been trained.
- 10 Regarding the words "not disputed" they refer to the information
- 11 that's already fully true or not true, but I have not been
- 12 trained or I did not do it directly.
- 13 MR. PRESIDENT:
- 14 Mrs. Se Kolvuthy, please continue reading further, and also take
- 15 note of Mr. François Roux by reading also the last wordings of
- 16 each paragraph.
- 17 THE GREFFIER:
- 18 Paragraph 71:
- 19 [09.52.33]
- 20 "That from late 1975 and into 1976, S-21 was significantly
- 21 involved in the imprisonment, re-education, torture and execution
- 22 of persons linked to the ousted Khmer Republic regime.
- 23 Paragraph 35 of the Closing Order agreed during the hearing."
- 24 BY JUDGE LAVERGNE:
- 25 Q.Well, then maybe a clarification concerning the word

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 10

- 1 "re-education." Is it -- were the people linked to the toppled
- 2 regime of the Khmer Republic, therefore of Lon Nol's regime --
- 3 were they truly the object of a re-education process or were
- 4 they, rather, executed?
- 5 A.People in Lon Nol's regime were classified into three
- 6 categories. First category referred to the people who were
- 7 smashed secretly. The second category referred to the people who
- 8 were detained in the re-education camp. And the third referred
- 9 to the people who were regarded as the new people.
- 10 May I take this opportunity to state to you also that the Khmer
- 11 terms, wordings in this paragraph, the word "re-education" means
- 12 -- translated in Khmer, which I believe is not really the right
- 13 term for the re-education. It should be the other way, by way of
- 14 saying that -- educate again. I, in the Party, tried to educate
- 15 myself and the word "re-education" referred to people who lost
- 16 their significant rights and were re-educated.
- 17 Q.In order to get back to S-21, we know that at S-21 there is
- 18 also S-24 included, Prey Sar, and you told us that the people who
- 19 were sent to S-21 were all slated to be executed, and were there
- 20 any people linked to Lon Nol's regime -- were any of these people
- 21 sent to Prey Sar? And what was the criterion that would explain
- 22 that certain people were sent to S-21 and other people were sent
- 23 to Prey Sar?
- 24 A.People who were in the re-education camp at Prey Sar were the
- 25 former combatants of the army who had problems, but they were not

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

- 1 yet arrested and they were only kept to be re-educated.
- 2 Regarding the Lon Nol soldiers and officers, some of them were
- 3 sent to S-21 in Phnom Penh in order to be executed.
- 4 So that's all I can make regarding the clarification regarding
- 5 your point.
- 6 [09.57.43]
- 7 Q.So therefore we do agree S-24 did not receive people linked to
- 8 the former Khmer Republic in order to be re-educated but only
- 9 received people, according to you, members of the army. But when
- 10 you state "members of the army" you're speaking about members of
- 11 the Revolutionary Khmer Army, the RAK.
- 12 A. When I talk about the members of the army, they were referred
- 13 to the Revolutionary Army of Democratic Kampuchea.
- 14 JUDGE LAVERGNE:
- Okay, I think that we can continue with the reading and we will
- 16 move on to the following paragraph.
- 17 [09.59.03]
- 18 THE GREFFIER:
- 19 Paragraph 72:
- 20 "In 1976 the Party had eliminated the exploiting classes,
- 21 private property, officials of the former regime, religions, and
- 22 teachers.
- 23 Paragraph 36 of the Closing Order. Agreed."
- 24 BY JUDGE LAVERGNE:
- 25 Q.Do you have any further comments about this paragraph? Can

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 12

- 1 you tell us whether even after 1977 some people connected to the
- 2 definitions of exploiting classes, owners, or for religious
- 3 reasons continued to be sent to S-21 or was this practice
- 4 stopped?
- 5 A. Your Honour, after the 17 of April 1975 people were sent like
- 6 that. However, may I state again, I would like to tell you that
- 7 after the 17 of April 1975 people were arrested and smashed en
- 8 masse and some were sent to S-21, which is true but after that,
- 9 after 1976 they referred to the people who lived in the rural
- 10 areas and who had conflicts before they could be arrested and
- 11 sent to S-21.
- 12 So this is a principle, as I say, only people who had conflicts
- that they would be arrested and sent but in reality there might
- 14 be something more or less different.
- 15 That's all my response.
- 16 [10.02.22]
- 17 MR. PRESIDENT:
- 18 The Greffier, please continue reading the next paragraph.
- 19 THE GREFFIER:
- 20 Paragraph 73.
- 21 "In March 1976 the Party had clarified authority to execute at
- 22 different levels within the regime and increasingly sent members
- of the revolutionary ranks to S-21.
- 24 Paragraph of the Closing Order. Agree."
- 25 BY JUDGE LAVERGNE:

Page 13

- 1 Q.Does the accused have any specific comments about this?
- 2 A. The description of this paragraph is seen in subparagraph 74.
- 3 MR. PRESIDENT:
- 4 Please, the Greffier, read paragraph 74.
- 5 [10.03.35]
- 6 THE GREFFIER:
- 7 Paragraph 74:
- 8 "A document dated 30th of March 1976 and attributed to the CPK
- 9 Central Committee reported a number of decisions, the first of
- 10 which provided that in order that a framework and absolute
- 11 implementation of our revolution and to strengthen our socialist
- 12 democracy, the right to decide on smashing within and outside the
- 13 ranks was to be bestowed as follows: If in the base framework,
- 14 to be decided by the Zone Standing Committee; surrounding the
- 15 centre office, to be decided by the Central Office Committee;
- 16 independent sectors to be decided by the Standing Committee; and
- 17 the centre military to be decided by the General Staff.
- 18 Paragraph 35 of the Closing Order. Agree."
- 19 BY JUDGE LAVERGNE:
- 20 Q.We have already commented on this document, are there further
- 21 clarifications that you would like to provide; that is
- 22 clarifications that were not available before?
- 23 A. Thank you, Your Honour, for allowing me to make some brief
- 24 description regarding this paragraph.
- 25 First, I would like to state that regarding the word "smash," the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 14

- 1 term smash has been asked -- I was asked regarding the term smash
- 2 for several times. Each time I was asked about that, I tried to
- 3 compare the term because when -- during Vorn Vet they used the
- 4 word "resolve" and then when it comes to Son Sen the term
- 5 "smashed" was used instead.
- 6 I think I said that because I had not deliberately considered the
- 7 term smash. It's because I did not deliberately study the term
- 8 smash.
- 9 Now, I would like to add further, on top of what I told you
- 10 already when it comes to smash which means "arrest secretly" and
- 11 then people who were arrested be interrogated, with tortures
- 12 employed and then they were executed secretly without the
- 13 knowledge of their family members.
- 14 [10.07.08]
- 15 I would like to add two more terms. The word "smash" mean the
- 16 person was not to be released. If he was released then he would
- 17 not be smashed. So if he was smashed he was not to be released.
- 18 Number 2, this did not go through the judicial process because
- 19 there was no law, no court, the Standing Committee govern all the
- 20 three main powers. That's all my additional response concerning
- 21 the word "smash."
- 22 In our document regarding the defence position on the facts of
- 23 the defence counsel, you can refer to paragraphs 20 and 21. The
- 24 document we are reading here is the defence position on the facts
- 25 contained in the Closing Order.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 15

- 1 The word "smashing the enemies" was introduced or leftover from
- 2 M-13. It continued afterwards. Paragraph 21, it reads that this
- 3 process did not go through the Court. I think I made it clear
- 4 regarding the term smash. Number 2, the Party's policy regarding
- 5 the smashing of the enemies is clear; no-one could violate it.
- 6 Number 3, this document, the decision on the 30th of March 1976,
- 7 in the first paragraph it reads, "The right to smash the enemies
- 8 within and outside the ranks." I would like to clarify that this
- 9 document is a written document which is consistent to the new
- 10 historical context and political context.
- 11 Why is this new? First, the former soldiers in the regime were
- 12 the soldiers of the zone, and then there were soldiers of the
- 13 Central Party and then we had the General Staff. Number 2, after
- 14 the 17th of April there were other committees surrounding the
- 15 Central Office.
- 16 Therefore, the first paragraph concerning the person who had the
- 17 right to smash was consistent with what we done before. Before
- 18 the 17th of April 1975 there was only the Standing Committee and
- 19 the secretaries of the zones who would be entitled to do so. The
- 20 soldiers belonged to the zones. That's why immediately after
- 21 17th of April the Standing Committee of the Centre used the
- 22 soldiers -- conducted this through the Zone Secretary. People
- 23 were evacuated by the implementation of the soldiers on the
- 24 orders of the Secretary of the Zone.
- 25 [10.13.40]

Page 16

- 1 This document, the 30th of March document, included two more
- 2 units -- three units. First unit were surrounding the Central
- 3 Office, decided by the Standing Committee. So they were the
- 4 units surrounding the Centre. It was a new unit. The
- 5 independent sector was also a new unit. The centre army was also
- 6 the new unit of the Centre.
- 7 In conclusion, this document was written to match the historical
- 8 context in relation to the creation of these new three units.
- 9 Next I would like to also confirm that paragraph 1 of the
- 10 decision of the 30th of March is the organized line of the Party.
- 11 The policy to smash the enemy was the policy of the Party, but
- 12 the organizational line was applied by the Party to anyone who is
- 13 obliged to implement it, who was entitled to do it and who was
- 14 not. People who were not entitled to implement it would be
- 15 beheaded if they risked doing it.
- 16 Paragraph 1 of the decision on the 30th of March clearly
- 17 identifies who were entitled to the implementation of the policy,
- 18 which included only four groups. The other people could not
- 19 intervene regarding the smashing, otherwise they would be
- 20 beheaded.
- 21 [10.17.08]
- 22 Next I would like to add additional comments regarding the
- 23 document and whose document it was. Who does this document
- 24 belong to and who made such decision?
- 25 It was the decision by the Standing Committee in which Pol Pot

- 1 was the Secretary, and I called it Angkar and we also called it
- 2 the centre, and also we called it the Party, and later on the
- 3 people of Cambodia referred to it as the leaders of the Khmer
- 4 Rouge, and that the ECCC itself calls it the most responsible
- 5 people or the most senior leaders of the Democratic Kampuchea.
- 6 The Standing Committee of the centre, and through this document,
- 7 gives the right or delegates the power to make a decision to
- 8 smash, to execute people, both within and outside the ranks to
- 9 four groups of people.
- 10 The first group, as you have already been familiar, is the
- 11 Standing Committee of the zone. They are the secretaries of the
- 12 zone, in short. The second group is the Secretary of the Centre
- 13 Office of the Central Committee. The third one is the Standing
- 14 Committee in which Pol Pot was the Secretary and Nuon Chea was
- 15 the First Deputy Secretary. And followed by the fourth group,
- 16 the General Staff -- the Secretary of the General Staff.
- 17 [10.21.29]
- 18 So the power delegated to the four groups was fully exercised.
- 19 No-one could intervene in this affair other than the four groups.
- 20 So if any members of the four groups would like anyone to be
- 21 killed or to die, that person must be dead. And if they wanted
- 22 to spare anyone, then it's up to them.
- 23 To sum up, through the period from the 30th March 1976 to the 7th
- 24 January of 1979 the CPK implemented these organizational lines
- 25 very strictly and fully. That's all my response concerning the

- 1 lines.
- 2 Q.I'm referring to your explanations that you have provided
- 3 before. I'd like us to return to the word "smashed." You
- 4 explained the meaning -- the political meaning, I might say -- of
- 5 this word, which is to arrest, detain, interrogate, torture,
- 6 execute. But over and beyond this political meaning there is a
- 7 literal meaning. "Smash," it seems to me, means to crush, to
- 8 reduce to nothing. You explained that previously other terms had
- 9 been used, such as "resolve."
- 10 Do you believe that the use of the word "smashed" is really
- 11 neutral, or does it express something? Could you say something
- 12 about the literal meaning of the word, especially in particular
- 13 -- particularly concerning victims who were smashed?
- 14 A. This term has never been explained to me. But if we look at
- 15 the whole situation and analyze it, the meanings of the term can
- 16 be conveyed as literally as it is, meaning to crush or to reduce
- 17 to nothing. For example, like in the case of the prison in Ta
- 18 Khmao, the superior ordered that Ta Khmao prison was transferred
- 19 to the Social Affairs. I ordered the exhumation of the bones to
- 20 be cremated, and I already made it clear previously.
- 21 [10.26.58]
- 22 Q.I'd like to return to a particular point. In your view is
- 23 there or is there not a difference between the word "smash" and
- 24 the word "resolve," for example?
- 25 A.In the implementation the two terms are not different. The

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

- 1 only difference was that at that time I left M-13 without paying
- 2 attention to the remains of the dead bodies. But the terms refer
- 3 to the secrecy and make sure that people were got rid of in
- 4 reality and implementation.
- 5 Referring to the word "resolve," I think it is more a political
- 6 language in order to make sure that the word "smash" was not too
- 7 obvious and that the CPK was like to resort to use this term
- 8 "resolve" instead. It was used before mid-1973.
- 9 MR. PRESIDENT:
- 10 The Greffier, please continue reading the next two paragraphs.
- 11 THE GREFFIER:
- 12 Paragraph 75:
- 13 "This document, the document of the 30th of March 1976, shows a
- 14 turning point because it reveals the beginning of internal
- 15 tortures. Before that, mainly officials of the old regime was
- 16 smashed. From that point, executions would take place mainly
- 17 within the Party and military. Paragraph 36 of the Closing
- 18 Order. Agree."
- 19 [10.30.11]
- 20 Paragraph 76:
- 21 "In the following month, internal CPK documents would be filled
- 22 with variations on the theme of a need for heightened
- 23 revolutionary vigilance with a view to ensuring that the enemy is
- 24 unable to borrow from within the Party and the army.
- 25 Paragraph 36. Not disputed.

- 1 The following passage from paragraph 36 of the Closing Order
- 2 should be added:
- 3 "The decision of the 30th of March, 1976 began a new period
- 4 during which the internal purges were predominant.
- 5 Agree."
- 6 BY JUDGE LAVERGNE:
- 7 Q.Does the accused have any specific comments to make concerning
- 8 what was just read out?
- 9 A.I have no further comments at this moment.
- 10 MR. PRESIDENT:
- 11 The Greffier, please continue reading the next four paragraphs.
- 12 THE GREFFIER:
- 13 Paragraph 77:
- 14 "Duch's role as Chairman of S-21 was to focus the office on
- 15 smashing purported traitors within the ranks of the revolution
- 16 itself.
- 17 Paragraph 37 of the Closing Order. Agree."
- 18 Paragraph 78:
- 19 "Initially, S-21 was just for important prisoners or those from
- 20 Phnom Penh, as well as members of the Central Committee. At
- 21 first, low-ranking combatants only came to S-21 if arrested in
- 22 Phnom Penh.
- 23 Agree.
- 24 As a general rule, high-ranking enemies inside the Party, state,
- 25 military, or security apparatuses were sent to S-21 having been

- 2 confessions from others previously arrested.
- 3 [10.33.01]

- 5 Paragraph 79:
- 6 "When a superior was arrested such as Koy Thuon, Minister of
- 7 Commerce and Member of the Central Committee, his or her
- 8 subordinates would in turn often be sent to S-21.
- 9 Paragraph 37 of the Closing Order. Agree."
- 10 Paragraph 80:
- 11 "The policy of smashing enemies almost always extended to their
- 12 families, including children.
- 13 Paragraph 37 of the Closing Order. Agree."
- 14 BY JUDGE LAVERGNE:
- 15 Q.Does the accused have any extra comments to make here? And of
- 16 course, we know that these points have already been brought up,
- 17 however does he have any comments to make?
- 18 [10.34.08]
- 19 A.I do not have any further comments at this moment. Thank you.
- 20 MR. PRESIDENT:
- 21 The Greffier, please continue reading the next two paragraphs.
- 22 THE GREFFIER:
- 23 Paragraph 81:
- 24 "When the repression intensified, S-21 also received numerous
- 25 people from the countryside.

- 1 Paragraph 38 of the Closing Order. Agree."
- 2 The following passage from paragraph 36 (sic) of the Closing
- 3 Order should be added:
- 4 "I also witnessed massive arrivals of prisoners from certain
- 5 zones. For instance, when the head of the West Zone security
- 6 office, Vi, was arrested I saw many people arriving from that
- 7 zone. These arrests preceded the arrest of Vi's superior, Chou
- 8 Chet, alias Si. This was an implementation of Ho Chi Minh's
- 9 doctrine; "Before cutting the bamboo one must trim the thorns."
- 10 Likewise, for the Northwest Zone this pattern is corroborated by
- 11 the prisoner leaks.
- 12 Agree."
- 13 Paragraph 82:
- 14 "In January 1979, S-21 had detained persons from nearly every
- zone, every ministry and every military unit in the nation.
- 16 Paragraph 38 of the Closing Order. Agree."
- 17 [10.36.32]
- 18 MR. ROUX:
- 19 Mr. President, with your leave, a little error appears which is a
- 20 typographic mistake apparently. When you read paragraph 81 it is
- 21 indicated on the third line, "It is necessary to add the
- 22 following segment of paragraph 36 from the Closing Order" but in
- 23 reality it is paragraph 38 of the Closing Order that should be
- 24 read out. So this is a typographic error that I would like to
- 25 point out.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 23

- 1 So therefore, it is paragraph 38 of the Closing Order that should
- 2 be added. Thank you for rectifying.
- 3 MR. PRESIDENT:
- 4 I think the Khmer reading is paragraph 38. I don't know whether
- 5 it is read out, paragraph 36, in French, but in Khmer it is
- 6 paragraph 38.
- 7 THE ACCUSED:
- 8 Regarding the document in Khmer, I think I myself am confused.
- 9 Here it reads the following passage from paragraph 36. And then
- 10 in Khmer version I noticed additional phrase which is surplus.
- 11 If we look at paragraph 38 of the Closing Order then we will see,
- 12 "I also witnessed massive arrivals." If you look at paragraph 38
- 13 of the Closing Order it reads, "I also witnessed arrivals of
- 14 prisoners from certain zones, "but here it reads, "I saw with my
- 15 own eyes." So I think that the term "noticed" was used as "I saw
- 16 with my own eyes", which was surplus. I therefore would like
- 17 your leave to make sure the wording is corrected to make sure it
- 18 matches the paragraph of the Closing Order, paragraph 38.
- 19 MR. PRESIDENT:
- 20 The Co-Prosecutors, would you like to make any observations
- 21 concerning this because through my observation these paragraphs,
- 22 as it reads, is extracted from paragraph 36. However, in both
- 23 paragraphs they refer to paragraph 38 of the Closing Order
- 24 instead.
- 25 So is this a kind of confusion or errors, or would you like to

- 1 make any comment regarding this; whether paragraph 36 should be
- 2 read as paragraph 38 in our agreement on facts here?
- 3 [10.41.06]
- 4 MR. BATES:
- 5 Thank you, Mr. President.
- 6 In the English it is paragraph 38 and the quote comes directly
- 7 from document D68 which is the proces verbal of the accused on
- 8 the date of -- if you'd allow me a moment -- I'm sorry, we don't
- 9 have the date immediately to hand, we can provide it in due
- 10 course but the quote comes directly from the written record of
- 11 the accused at D68 and it appears in the closing order in
- 12 English, at least, at paragraph 38 and we do not seek any
- 13 addition.
- 14 The date is the 22nd of January 2008 of the written record of
- 15 interview.
- 16 MR. PRESIDENT:
- 17 The Greffier, please continue reading paragraph 38 of the Closing
- 18 Order so that we can really verify the wordings.
- 19 THE GREFFIER:
- 20 Paragraph 38:
- 21 "Duch further recognized that subsequently when the repression
- 22 intensified S-21 also received people from the countryside. I
- 23 also witnessed massive arrivals of prisoners from certain zones;
- 24 for instance, when the head of the West Zone Security Office, Vi,
- 25 was arrested I saw many people arriving from that zone. These

- 1 arrests proceeded the arrest of the superior Chou Chet, alias Si,
- 2 this was an implementation of Ho Chi Minh's doctrine; "before
- 3 cutting the bamboo one must trim the thorns". Likewise for the
- 4 Northwest Zone this pattern is corroborated by prisoner lists
- 5 that demonstrate clearly that by January 1979, S-21 had detained
- 6 persons from nearly every zone, every ministry, and every
- 7 military unit in the nation."
- 8 [10.44.13]
- 9 MR. PRESIDENT:
- 10 We can see that the wordings were extracted from paragraph 38 of
- 11 the Closing Order so Khmer version which reads paragraph 36
- 12 should also be corrected to match the English version and also in
- 13 the French.
- 14 Mr. Kaing Guek Eav?
- 15 THE ACCUSED:
- 16 Your Honour, the President, this document had errors in Khmer. I
- 17 did not see any problem in English and French version.
- 18 In the Khmer version I noticed that, "I saw with my own eyes,"
- 19 but in the paragraph 38 of the Closing Order it reads in Khmer
- 20 too that I noticed or I witnessed the massive arrivals. I think
- 21 the only difference is that the word "saw with my own eyes," so
- 22 that's the only difference but it only in Khmer version, not in
- 23 the English or the French.
- 24 [10.45.44]
- 25 MR. PRESIDENT:

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 26

- 1 So you only would like the Khmer version to be corrected so that
- 2 it matches the French and the English version of the Closing
- 3 Order, paragraph 38 and that the word -- the phrase "I saw with
- 4 my own eyes" should be changed to "I witnessed" instead, in
- 5 Khmer?
- 6 The defence counsel, do you agree with the new wordings?
- 7 The Co-Prosecutors, would you like to make any comment?
- 8 MR. BATES:
- 9 Just one small correction. I said it was a written record from
- 10 January of 2008 and in fact is the 2nd of April 2008 and I can
- 11 give the exact ERN Number, as well, of the paragraph. It is, in
- 12 English, 00178061.
- 13 Thank you.
- 14 MR. PRESIDENT:
- 15 We seek clarification because -- and your position concerning the
- 16 correction of the Khmer version that is used in paragraph 38 of
- 17 the Closing Order and that the wordings are extracted from that
- 18 paragraph 38, which reads "I saw with my own eyes" and this
- 19 wording should be changed to "I witnessed or noticed" and the
- 20 accused would like the wordings to be changed, although he agrees
- 21 that the French and the English versions are okay. And the
- 22 Greffier already said clearly in Khmer that "I witnessed" and did
- 23 not say "I saw with my own eyes."
- 24 So we only need to change the wording so that it matches the
- 25 extraction from paragraph 38 because extraction mean to copy

- 2 [10.48.32]
- 3 MR. BATES:
- 4 Yes, Mr. President.
- 5 MR. PRESIDENT:
- 6 It is now time to break for 15 minutes. So the Court is

- 8 (Court recesses from 1048H to 1111H)
- 9 (Judges enter courtroom)
- 10 [11.11.30]
- 11 MR. PRESIDENT:
- 12 Please be seated. The Court is now in session. Judge Lavergne,

- 15 floor is yours.
- 16 BY JUDGE LAVERGNE:
- 17 Q.Does the accused have any other comments?
- 18 A.I should like to add that these are facts about which
- 19 explanations have already been provided.
- 20 MR. PRESIDENT:
- 21 Next, the Greffier please read paragraph 83 and 84.
- 22 THE GREFFIER:

- 25 revolutionary ranks who were accused of being influenced by or

- 4 Paragraph 39 of the Closing Order. Agree."
- 5 Paragraph 84:
- 6 "During the armed conflict with Vietnam, the numbers of
- 7 Vietnamese civilians and soldiers arrested and sent to S-21 also
- 8 grew.
- 9 Paragraph 39 of the Closing Order. Agree."
- 10 [11.14.04]
- 11 BY JUDGE LAVERGNE:
- 12 O.Concerning this last paragraph, I think we'll return to this
- later, when we will discuss the international armed conflict.
- 14 However, does the accused have any comments or observations
- 15 regarding what has just been read?
- 16 A.I do not have any comment at the moment, thank you.
- 17 MR. PRESIDENT:
- 18 Next it comes to the dissemination of policy at S-21. The
- 19 Greffier, please continue reading paragraph 85.
- 20 THE GREFFIER:
- 21 Paragraph 85:
- 22 "The political line of the CPK was disseminated at S-21. The
- 23 extract from paragraph 40 is in the fact that follows. The
- 24 political line on the CPK was taught directly at S-21, including
- 25 the policy of extrajudicial execution.

- 2 And Duch also wishes to point out that the political line of the
- 3 CPK was also disseminated throughout the country.
- 4 "(a) Duch and other S-21 cadres attended general political
- 5 education and agricultural production planning meetings convened
- 6 under the auspices of the centre General Staff.
- 7 Paragraph 40 of the Closing Order. Agree.
- 8 (b) Duch and other former S-21 cadres stated that they also
- 9 attended training sessions convened by Son Sen to discuss the
- 10 need to purge and smash enemies.
- 11 Paragraph 40 of the Closing Order. Agree.
- 12 (c) Former S-21 personnel agreed that the policy of
- 13 extrajudicial execution was vitally disseminated throughout S-21
- 14 at annual meetings of the entire unit, as well as at smaller
- 15 meetings of its various sub-units.
- 16 Paragraph 40 of Closing Order. Agree."
- 17 [11.17.05]
- 18 BY JUDGE LAVERGNE:
- 19 Q. This is also something we have discussed previously. Does the
- 20 accused have any further comment regarding what has just been
- 21 read?
- 22 A. Your Honour, I don't have any further comments.
- 23 JUDGE LAVERGNE:
- 24 So I think we can proceed.

- 1 The Greffier, please read the next paragraph.
- 2 THE GREFFIER:
- 3 Paragraph 86:
- 4 "Duch acted to further disseminate this line within S-21. For
- 5 example, he taught interrogators that the activity at S-21 is a
- 6 task of class struggle. It is aimed at smashing the oppressor
- 7 class.
- 8 Paragraph 42 of the Closing Order. It should be noted that this
- 9 is a summary by the Co-Prosecutors of a passage from paragraph 42
- 10 of the Closing Order which reads as follows:
- 11 [11.18.30]
- 12 Former S-21 personnel confirm that Duch acted to further
- 13 disseminate this line within the unit. In an S-21 interrogator's
- 14 notebook, a statement attributed to Duch noted that the work of
- 15 S-21 is a task of class struggle. That is, it is aimed at
- 16 smashing the oppressor class, digging out their trunk and roots
- 17 to defend the Party, defend the proletariat class, defend
- 18 Democratic Kampuchea and defend the line of independence and
- 19 mastery.
- 20 Partly agree. See written record of interview of Duch dated 18
- 21 February 2008, page 7 in Khmer and page 6 in French."
- 22 MR. PRESIDENT:

- 4 the second phrase that begins with the Santebal's task which is
- 5 the struggle -- class struggle ERN 0007479 in English, page 20,
- 6 whether these match what you trained and the political line?"
- 7 Response:
- 8 "Yes, it is true that it is the general political line concerning

- 12 [11.21.30]

- 10 MR. BATES:
- 11 I'll try one more time, thank you; 00164327 to 00164335, and the
- 12 particular page of the reference is 00164331 and the case file
- 13 number is D46. And I hope the interpreters -- the translators
- 14 got it that time.
- 15 JUDGE LAVERGNE:
- 16 Okay, I think that we'll have the opportunity of getting back to
- 17 these points given the interview program of certain witnesses, so
- 18 I don't think it's necessary to belabour this point, however -
- 19 but I would like, however, the accused to provide extra comments
- 20 if he wishes to do so.
- 21 THE ACCUSED:
- 22 Thank you, Mr. Judge.
- 23 I don't have any further comments.
- 24 MR. PRESIDENT:

- 2 THE GREFFIER:
- 3 Paragraph 87.
- 4 "Duch and other CPK members and Youth League members at S-21 were
- 5 also made aware of the role of their office in implementing these
- 6 policies through the Party journals Revolutionary Flag and
- 7 Revolutionary Youth.
- 8 Paragraph 41 of the Closing Order. Agree."
- 9 Paragraph 88.
- 10 "Allegations of treason to which S-21 prisoners had been
- 11 compelled to confess were presented as fact in these publications
- 12 and alluded to in official DK propaganda.
- 13 Paragraph 41 of the Closing Order. Agree."
- 14 Paragraph 89.
- 15 "Alleged traitors such as Chann Chakkrey, Men San alias Ya, Suos
- 16 Neou alias Chhouk and Koy Thuon were repeatedly referred to by
- 17 name.
- 18 Paragraph 41 of the Closing Order. Agree."
- 19 Paragraph 90.
- 20 "Extracts from tape recorded S-21 confessions or written text
- 21 were played or read out at meetings outside of S-21 to justify
- 22 the actions of the regime.
- 23 Paragraph 41 of the Closing Order. Agree."
- 24 JUDGE LAVERGNE:
- 25 Does the accused have any extra comments to provide in relation

Page 35

- 1 to what was read? Can you speak to us in particular about these
- 2 meetings during which the certain excerpts of interrogations were
- 3 being disseminated?
- 4 A.I would like to state concerning the meetings, the meetings to
- 5 listen to the tapes were done by the upper echelon, or the
- 6 meeting in which the confessions were read out were also
- 7 conducted by the upper echelons.
- 8 [11.31.13]
- 9 I would like to give you a practical situation. I don't remember
- 10 the date. Son Sen, my superior, met at the Olympic Stadium at
- 11 the basketball court. It was about the dissemination of the
- 12 confessions of Men San alias Ya, to be read out in public
- 13 including the confession of Koy Thuon's and also other comrade
- 14 confessions was read out at that time; for example, the
- 15 confession of Pich Chhorn, alias Saom, the Secretary of the
- 16 Secretariat.
- 17 So the readings were not decided by me but the upper echelon took
- 18 the advantage of the taped confessions and written confessions
- 19 from S-21 to be read out. This was the task of the upper
- 20 echelon. It is true that these kinds of activities took place.
- 21 That's all. That's referred to paragraph 90, as I already made
- 22 my comments.
- 23 Q.Did the transmission of audio recordings of the interrogations
- 24 -- did the transmission of these to the higher authorities, were
- 25 they systematic or were these done only when these were

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

- 1 requested?
- 2 [11.34.33]
- 3 A.First, the majority of the words -- mainly, only the audio
- 4 recordings were used just to prove that I did not really answer
- 5 on behalf of the prisoners. And later on Son Sen asked the
- 6 prisoners to write down their confessions instead because Brother
- 7 Nuon did not want to listen to the confessions; he preferred
- 8 reading them.
- 9 I would like to confirm that Uncle Nuon is Nuon Chea, and I was
- 10 made to change the approach. Later on for the important persons,
- 11 then the confession in the form of writing and audio recordings
- 12 were taken.
- 13 So most confessions at S-21 at a later date were written; only
- 14 some certain confessions that were both audio recorded and
- 15 written down. That's all my response.
- 16 Q.Who decided that such and such a confession had to not only be
- 17 written down but also recorded, and what was the objective of
- 18 these requests?
- 19 A. Your Honour, the aim was not revealed but we can -- we could
- 20 presume that they would be used for dissemination. When I worked
- 21 with Son Sen he told me directly by -- verbally told me or by
- 22 phone.
- 23 With Uncle Nuon -- Nuon Chea -- sometimes he told me directly.
- 24 Sometimes he asked Panng to tell me. Panng, his original name
- 25 was Chhim Sam-Aok. He was the chief of the committee concerning

- 1 the works surrounding the Center Office -- correction, Office
- 2 870.
- 3 [11.39.29]
- 4 That's all my comments.
- 5 Q.Beyond these -- both publications that were mentioned,
- 6 therefore publications for the Party, therefore they were only
- 7 given to the Party member, so we're speaking about Revolutionary
- 8 Flag here and about Revolutionary Youth. Well, beyond these
- 9 publications were there other means, and in particular radio --
- 10 were other means used to broadcast the party line of the CPK, and
- 11 eventually, can you tell us if some confessions were also
- 12 broadcast by radio?
- 13 A. The dissemination of -- to reveal the traitors were done by
- 14 all means. First, the Revolutionary Flag magazine: it was
- 15 written in depth concerning the confidentiality in order to
- 16 educate members of the Party. Number 2, the Revolutionary Youth
- 17 magazine: the author was not Brother Pol, or Pol Pot. So far as
- 18 the rumour has it, it was Yun Yat, the wife of Son Sen, who was
- 19 the author of such magazine. The content of the Revolutionary
- 20 Youth magazine was not as in depth as it was in the other
- 21 magazine, especially when it comes to confidentiality.
- 22 Regarding the radio broadcast, I think there were no full
- 23 confessions to be broadcast fully on the radio broadcast; maybe
- 24 only part of the confessions were used in such radio broadcasts.
- 25 Therefore, education through radio means the broad educational

- 1 approach. That's why such education is not much in depth. So it
- 2 can be concluded that when the information is broadly broadcast,
- 3 then it would not be much in depth.
- 4 That's all my comments.
- 5 [11.44.04]
- 6 Q.Were you always informed about every broadcast, even if these
- 7 broadcasts were partially being broadcast by radio? Were you
- 8 always informed of these broadcasts of confessions?
- 9 A.The radio broadcasts of the full confessions were only done by
- 10 way of using the confessions of the Vietnamese detainees for the
- 11 purpose of broadcasting. As for confessions of other key
- 12 persons, only parts of their confessions would be broadcast. So
- 13 only the core essence of those confessions of the key people were
- 14 broadcast, but for the Vietnamese confessions they were fully
- 15 broadcast.
- 16 Q.My question was more specific. Which information did you
- 17 receive personally about these broadcasts? Were you informed
- 18 about these broadcasts and were you always informed about the
- 19 broadcasts?
- 20 A.I probably did not catch your question but I'll try to answer
- 21 that the attempt to broadcast confessions was made by their
- 22 authority and power, and it was independent from my request. I
- 23 did not have the right to propose that such confessions be
- 24 broadcast. Although the confessions were to be broadcast or
- 25 written in the Revolutionary Flag, I did not have right to make

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Page 39

- 1 such a request. Only when Pol Pot noted that those confessions
- 2 would be advantages, that they would use, and I did not have the
- 3 right to make any request to do so.
- 4 [11.47.58]
- 5 When the information was broadcast I was never informed, although
- 6 I saw that piece of information in the Revolutionary Flag
- 7 magazine. So in conclusion, I had no right to propose anything.
- 8 I was not sought any opinion before any broadcast. After the
- 9 broadcasts I was not informed. I only learnt of this information
- 10 in the Revolutionary Flag magazine.
- 11 That's all my response according to my knowledge.
- 12 MR. PRESIDENT:
- 13 The Greffier, please read the following paragraphs: paragraphs
- 14 91 and 92.
- 15 THE GREFFIER:
- 16 Paragraph 91:
- 17 "From the time he became S-21 Chairman, specific instructions to
- 18 and from S-21 regarding security matters were conveyed
- 19 exclusively through him.
- 20 Paragraph 42 of the Closing Order. Agree."
- 21 Paragraph 92:
- 22 "Duch's training of S-21 staff was based on instructions from
- 23 the superiors.
- 24 Paragraph 42 of the Closing Order. Agree. It should be noted
- 25 that this passage from paragraph 42 of the Closing Order actually

- 1 reads as follows:
- 2 'The notebooks of Duch's assistant, the interrogator Mam Nai,
- 3 alias Chan, seem to further corroborate Duch's confession that
- 4 his detailed training of S-21 staff was based on instructions

- 6 [11.51.10]
- 7 BY JUDGE LAVERGNE:
- 8 Q.Does the accused have any specific comments about what was
- 9 just read?
- 10 A.I do not have any further comments at this moment.
- 11 MR. PRESIDENT:
- 12 Next it comes to the use of S-21 confessions. The Greffier,
- 13 please read the following paragraphs: paragraph 93.
- 14 THE GREFFIER:
- 15 Paragraph 93:
- 16 "The role of S-21 was not to determine whether detainees were
- 17 traitors as their guilt was already established by the fact that
- 18 they had been arrested and sent to S-21.
- 19 Paragraph 44 of the Closing Order. Agree."
- 20 [11.52.26]
- 21 BY JUDGE LAVERGNE:
- 22 Q.Does the accused have any specific comments to make?
- 23 A.I do not have any further comments.
- 24 MR. PRESIDENT:
- 25 The Greffier, read the following three paragraphs: 94, 95 and

- 1 96.
- 2 THE GREFFIER:
- 3 94:
- 4 "In addition to executing prisoners condemned in advance as
- 5 traitors, an overriding purpose of S-21 was to extract
- 6 confessions from prisoners in order to uncover further networks
- 7 of possible traitors.
- 8 Paragraph 43 of the Closing Order. Agree."
- 9 95:
- 10 "Confessions seem typically to have taken the form of political
- 11 autobiographies by the prisoners in which they were compelled to
- 12 denounce themselves and others as traitorous, serving the
- 13 intelligence agencies of foreign powers considered to be enemies
- 14 of the Cambodian Revolution. Those intelligence agencies
- 15 included the United States CIA, the Soviet KGB and organs of the
- 16 Vietnamese Communist Party.
- 17 Paragraph 43 of the Closing Order. Agree."
- 18 96:
- 19 "These confessions, some many hundreds of pages long, contain
- 20 detailed descriptions not simply of alleged traitorous activities
- 21 but also of the structure and operation of all levels of the
- 22 Party and of all administrative units.
- 23 Paragraph 43 of the Closing Order. Agree."

- 1 Q.Does the accused wish to add extra clarifications in relation
- 2 to what has just been read?
- 3 A. Your Honour, now at the moment I would not want to make any
- 4 further comments regarding paragraph 96. I believe that everyone
- 5 will see it more clearly when we study the compilation of the
- 6 analysis by Craig Etcheson. That's all.
- 7 MR. PRESIDENT:
- 8 The Greffier, please continue reading paragraphs 97 and 98.
- 9 [11.55.55]
- 10 THE GREFFIER:
- 11 Paragraph 97:
- 12 "The operations of S-21 were obviously not comparable with the
- 13 existence of the tribunals and procedural safeguards.
- 14 Paragraph 44 of the Closing Order. Agree."
- 15 Paragraph 98:
- 16 "It was their confessions which served the political interests
- 17 of those in control of the Party by justifying threats and
- 18 implicating the networks of those sent to S-21. They were used
- 19 as excuses to eliminate those who represented obstacles. The
- 20 aforementioned extract from paragraph 44 in fact reads as
- 21 follows:
- 22 'The confessions were used as excuses to eliminate those who
- 23 represented obstacles.'
- 24 Paragraph 44 of the Closing Order. Agree.
- 25 (a) Regardless of whether they contained false or fabricated

- 1 assertions, the confessions were said by Duch to have been given
- 2 formal weight in deciding upon the arrests of those denounced as
- 3 enemy agents, and very often many people were arrested as
- 4 implicated as enemies or traitors.
- 5 Paragraph 45 of the Closing Order. Agree.
- 6 (b) Normally implication in one confession was not sufficient
- 7 for a person to be arrested; it had to occur several times.
- 8 [11.57.47]
- 9 Paragraph 45 of the Closing Order. Agree.
- 10 (c) Names from different confessions were combined to form lists
- 11 of enemies.
- 12 Paragraph 45 of the Closing Order. Partially agree. According
- 13 to Duch, this was not a common practice at S-21 and, according to
- 14 him, he did so only twice following a specific order concerning
- 15 Divisions 170 and 290 which were part of the General Staff and
- 16 were from the East Zone."
- 17 BY JUDGE LAVERGNE:
- 18 Q.Well, first a question in order to get back to paragraph 97.
- 19 In a general way could you say -- and beyond the simple context
- 20 of S-21, was there, in Democratic Kampuchea, tribunals --
- 21 independent tribunals and legal safeguards that could allow the
- 22 citizens to defend their individual liberties? Did the notion of
- 23 individual liberty -- was this a notion that was understood in
- 24 the policies of Democratic Kampuchea?
- 25 A. Your Honour, the notion of individual liberty was abolished.

Page 44

- 1 [11.59.53]
- 2 All levels of court did not exist. The power was concentrated in
- 3 the Standing Committee. The Standing Committee governed all the
- 4 three powers. The Executive, the Legislative and the Judiciary
- 5 were all in the hands of the Standing Committee. There was no
- 6 law; there were political lines and its policies.
- 7 The political lines were the tools used or created by the
- 8 Secretary of the Standing Committee. The next power was
- 9 exercised by the zone, the sector; the co-operatives. All the
- 10 levels of power were taking charge of both the executive of these
- 11 and the courts. The term "People's Justice" and the "Courts of
- 12 People's Justice" were the terms used in the revolutionary in
- 13 China, the Cultural Revolution in China. But in China people
- 14 gathered and conducted a conference or meeting and then they
- 15 started the trials. That's what Ta Mok did when he put Pol Pot
- 16 on trial.
- 17 In Cambodia the committee of the co-operatives proposed any ideas
- 18 and made such proposals to the chief of the district to make a
- 19 decision. For the new people who frequently had a lot of
- 20 problems, when the co-operatives made a request to the district
- 21 and the district would then report to the upper echelons before
- 22 arrests were made. So this is my clarification concerning my
- 23 knowledge about the situation.
- 24 [12.04.12]
- Now, when it comes to S-21, the combatants who were re-educated

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

- 1 at Prey Sar when the Committee at Prey Sar made a request, then
- 2 the Committee of S-21 would make a decision and then report to
- 3 the upper echelon regarding those people. So in conclusion there
- 4 was no individual liberty. There was no court of all kinds.
- 5 There was no law. There were only Party lines.
- 6 That's all.
- 7 Q.Do you have any other comments about what was read out; in
- 8 particular on the lists of enemies that may have been drawn up
- 9 from other confessions obtained in S-21?
- 10 A. The prisoners whose names had been drawn up on the
- 11 denunciation and then sent to the upper echelons, there were
- 12 numerous of them. First, the very great time consuming was to
- 13 compile the confessions in which Suos Neou, alias Chhouk was
- 14 implicated.
- 15 Suos Neou, alias Chhouk, was the Secretary of Sector 24 of the
- 16 East Zone. He was implicated in several confessions. When the
- 17 Standing Committee was about to meet again, my superior ordered
- 18 S-21 to gather information and extract key points from the
- 19 document concerning Suos Neou, alias Chhouk. Based on my memory,
- 20 I can tell you that I gathered a lot of interrogators who knew
- 21 Suos Neou, alias Chhouk, including the typist. I gathered the
- 22 interrogators and the typists to work together for three days and
- 23 three nights with little sleep.
- 24 Finally, the Standing Committee made a decision to arrest alias
- 25 Chhouk and send to S-21. I already said previously I only would

- 1 like to make further details, information concerning the
- 2 compilation of the documents regarding the matter.
- 3 And regarding the key person like him, I think there was another
- 4 case but I can't remember who, maybe Koy Thuon or any other
- 5 person. I just can't remember it.
- 6 [12.09.31]
- 7 Number two, it is about the documents in which people in Division
- 8 870 and 290 were implicated.
- 9 MR. BATES:
- 10 Mr. President, I'm sorry to interrupt the accused but I think
- 11 there was a mistranslation in the English. I think the English
- 12 said 870 and 290, and I think the Khmer was 170 and 290. Perhaps
- 13 the accused could be asked to repeat what he said and we can take
- 14 it slowly again in the translation. Thank you.
- 15 [12.10.35]
- 16 THE ACCUSED:
- 17 Thank you, Mr. Co-Prosecutor. When the Khmer-English translation
- 18 is not correct, then the French version also was affected.
- 19 MR. PRESIDENT:
- 20 The accused, could you please repeat your last comments regarding
- 21 the divisions, concerning the compilation of the documents of the
- 22 two divisions, because the numbers of the divisions themselves
- 23 are not precisely translated?
- 24 THE ACCUSED:
- 25 Divisions -- as the President said, Divisions 170 and 290.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Page 47

- 1 Division 170, as it referred to at that time, Chann Chakkrey was
- 2 already arrested. Chann Chakkrey and other people, some other
- 3 people in Division 170, implicated people in their own unit, and
- 4 in Division 290 the situation was the same. People implicated
- 5 other colleagues in the same unit.
- 6 Then my superior asked me to gather names who were implicated in
- 7 respect to units and I gathered the names of the people who were
- 8 implicated in Division 170 and 290. Then after I gave all those
- 9 documents to him he asked me to work with him.
- 10 The meeting like that was an open meeting of the general staff to
- 11 make a decision regarding the matter. This open committee
- 12 includes Brother 89, Son Sen; Brother 81, Siet Chhe, alias Tum
- 13 who were members and secretaries of the Standing Committee of the
- 14 General Staff. Pich Chhorn, alias Saom; In Nat, the assistant to
- 15 the general staff -- In Nat and Pich Chhorn, who were the
- 16 assistant to the general staff were also included in that
- 17 committee, and at that time my superior read out the names who
- 18 were implicated in the confessions in order for the related
- 19 people of the units to -- the heads of the respective units to
- 20 make a decision as to whether -- who to be arrested and who not
- 21 to be arrested.
- 22 After reading out such information then I was asked by my
- 23 superior whether I would like to make any comments. Actually he
- 24 only asked in a more friendly manner. In reality I was not
- 25 entitled to make any comments in such a meeting.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 48

- 1 And I would like to also add further that the right to arrest by
- 2 the Special Army of the centre was the right of the Secretary of
- 3 the General Staff. It was Son Sen actually. No-one else had the
- 4 right to arrest those people, other than Son Sen himself.
- 5 [12.16.13]
- 6 So this was the organizational line. However, in the real
- 7 activity line he had to ask for opinions from the respective
- 8 units in which the names of the colleagues or subordinates were
- 9 implicated. And this was the process of the activities line and
- 10 how it was implemented.
- 11 Then after the decision by them I would then be asked, and the
- 12 chiefs of the units would be asked, to discuss whether it would
- 13 be okay to arrest such numbers of people, because in some certain
- 14 cases more people would be arrested. Because in each unit, for
- 15 example, like more people would be arrested simultaneously, I
- 16 mean at the same time, so the chief of the unit had to make a
- 17 decision in order to be prepared if such en masse arrests would
- 18 take place in such unit.
- 19 [12.18.03]
- 20 This was a meeting on the 16th of September in 1977. However,
- 21 please don't quote my date. I may not make it correct. Just
- 22 disregard it. Only in a very few occasions that I attended such
- 23 meetings with them when en masse arrests would be expected.
- 24 And I reported to the Co-Investigating Judges and I have already
- 25 now frankly reported to Your Honours, the Trial Chamber Judges.

- 3 Paragraph 101:

- 7 added. Paragraph 43: Duch has already confirmed this statement.
- 8 Paragraph 44: Duch still confirmed that he was suspicious of
- 9 those confessions, that they are not all true, but his superior
- 10 who demanded all the confessions. Duch said he believed that
- 11 even the Standing Committee itself did not believe the whole
- 12 truth of the confessions. Agree."
- 13 [13.53.18]
- 14 BY JUDGE LAVERGNE:
- 15 Q.Well, okay, so therefore we're dealing with the reading of the
- 16 last paragraphs related to the topic of the implementation of the
- 17 CPK policy. Can you therefore tell us if you have the feeling
- 18 that the confessions that you transmitted to your superiors, the
- 19 notes that you would add to these confessions, or even the
- 20 analyses that you made and the lists -- well, do you have the
- 21 feeling that these documents were liable to orient the political
- 22 line of the CPK and also to determine which measures -- to
- 23 determine, up to a certain extent, which people were going to be
- 24 purged?
- 25 A. Your Honour, first I would like to mention concerning the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 51

- 1 confessions of the victims. The victims' confessions, I can say
- 2 in short that I did not have anything to measure whether the
- 3 confessions were truth or not. From the beginning when I started
- 4 the work at Santebal from M-13 and afterwards I still could not
- 5 find any tools to measure whether those confessions were true or
- 6 not, and I did not find anything at all to measure them.
- 7 Some confessions were far beyond my analysis. For example, the
- 8 confession of Koy Thuon I did not dare annotate on it, and he
- 9 asked for the confession to be transmitted immediately. However,
- 10 these confessions made him -- no, not him, the whole Standing
- 11 Committee, to arrest en masse people from the north. It's a
- 12 massive arrest. It shocked me and if we look back I can see that
- 13 people were suspicious of the elements in the north, and they
- 14 only were waiting for just one confession before they could make
- 15 such a massive arrest. And I think that was it.
- 16 [13.58.1]
- 17 So whether anyone would be arrested first, they conducted such a
- 18 plan and the plans were initiated by the standing committee.
- 19 Personally, when I annotated on the documents I only wanted to
- 20 facilitate my superiors' time-saving in reading those annotations
- 21 and confessions, and I tried at the maximum to limit to reveal
- 22 that I subjectively was biased towards any particular individual.
- 23 So it is my summary of the response here. I know that it is not
- 24 yet at all, so Your Honours may put more questions to me.
- 25 Q.As set out before, that is there was a rule that a name was to

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 52

- 1 be mentioned several times in confessions to lead to the arrest
- 2 of the person thus named, would you say that this rule was not
- 3 applied all the time?
- 4 A.The rule which reads that only when names are mentioned in
- 5 several times in the confessions before he or she was arrested,
- 6 it's true there is such a rule. However, some less important
- 7 people they did not need several mentions of the names in the
- 8 confession, just a few. It made the person -- it helped make the
- 9 person to be arrested already.
- 10 [14.02.07]
- 11 Some people who were the very important person like Chhouk; his
- 12 original name, Suos Neou. I call him the very important person
- 13 because Phim, Brother Phim, the Secretary of the East, was behind
- 14 him. So before he was arrested there must have been a clear
- 15 signal to do so. If Brother Sao Yann and Brother Phim did not
- 16 agree, then Chhouk would not be arrested.
- 17 This morning I told you already that it is the activities line.
- 18 So regarding such a matter there must have been several names,
- 19 several confessions or names mentioned in the confessions before
- 20 he could be arrested and that it had to go through several
- 21 meetings as well.
- 22 Some other people were implicated but the Standing Committee did
- 23 not take action. For example, Ta Mok, his name was mentioned in
- 24 the confessions but he was not arrested.
- 25 Having heard of Ta Mok, the Standing Committee remained idle and

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 53

- 1 did not take any action. And Brother Koy's name or Son Sen, his
- 2 name was also implicated in several confessions but the Standing
- 3 Committee did not take any action. So this is just the examples.
- 4 I still remember how the confessions are sharpened. So I would
- 5 like to give you an example of how the confessions were framed
- 6 because when they wanted to arrest anyone, then they would like
- 7 confessions to be aimed into that direction.
- 8 The Standing Committee wanted people to implicate Chhim Sam-Aok,
- 9 alias Panng. The Standing Committee would like people to
- 10 implicate Panng or Chhim Sam-Aok, so one person was sent to S-21
- 11 to be interrogated. Then when I reported his confession Son Sen
- 12 asked me to work as normal. Then he asked me, "Why this guy did
- 13 not indicate Panng?" And then I did not dare contest him. I
- 14 said, "He did confess and implicated him. But before Panng was
- 15 also implicated and you laughed your heads off when you heard it.
- 16 So how could I really write his confession with the implication
- 17 of Panng in such confession?" Then having heard that, Son Sen
- 18 apologized and said, "Okay, so yes I accepted that, before I
- 19 laughed at you but let's deal with it."
- 20 [14.09.00]
- 21 And I would like to also give you another example. Sorry, that
- 22 example was raised only to prove my theory in the morning
- 23 concerning the cutting of the bamboo; then one must trim the
- 24 thorns.
- 25 So the ways -- how they organized people to be arrested were

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 54

- 1 organized and planned by the Standing Committee. Whether there
- 2 are more confessions before the person was arrested it was part
- 3 of the work, but whether they believed it or not so it is another
- 4 story.
- 5 As Pol Pot said in the minutes of the meeting of the 9 of
- 6 October, 1975, he said the police was one thing but here we --
- 7 whether we arrested anyone it's up to us. This document is with
- 8 me but I don't have time to point to the right page but Pol Pot
- 9 did say so.
- 10 So in conclusion that's the number of names to be -- to appear in
- 11 confessions before he or she was arrested was one case. Whether
- 12 the confessions were truth or not is another case. They followed
- 13 S-21's confessions or not. It depended so much on them to build
- 14 forces in the Party. This is another case.
- 15 That's all my comments. It has been long already.
- 16 [14.13.18]
- 17 Q.At the very beginning of this trial you showed us a sketch.
- 18 The sketch depicted two characters and you explained that, in a
- 19 manner of speaking, there had been a power struggle for the total
- 20 control of power within the CPK. So beyond the doubts that you
- 21 expressed as to the belief in the veracity of the confessions by
- 22 the members of the Standing Committee, do you not think that the
- 23 confessions may also have been used for this total struggle for
- 24 power by some people? And if you do know who, could you please
- 25 tell us?

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 55

- 1 A.The sketch stems from my many years living in the Communist
- 2 regime of Kampuchea. I could only concentrate on this matter
- 3 from 1983 and I acknowledge that it is true that in 1997 when Ta
- 4 Mok arrested Pol Pot, the confessions were used and of course in
- 5 the confessions it revealed the struggle, the total struggle for
- 6 power between these two individuals.
- 7 Now I would like to give you another real example: the police
- 8 office of the Southwest, supervised by Ta Mok. Ta Mok never sent
- 9 anyone to S-21, ever. Those who were his true forces who he
- 10 believed could implicate him, he never sent them to S-21. From
- 11 the establishment of S-21 since the March of 1976 when I became
- 12 the chairman, so far as I remember, Ta Mok only sent two people;
- 13 first Sek Sat, alias Prak, the Secretary of Sector 25, the member
- 14 of the Southwest Committee. He sent them because these people
- originally came from the city, the string, the network of Vorn
- 16 Vet and my network.
- 17 So they were from the city. So Sek Sat, alias Prak, was not a Ta
- 18 Mok person or man since the very beginning. That's why he was
- 19 sent to S-21. And another person named Saom Chea, the Secretary
- 20 of Sector 25. This person was the former person of Tou Samuth.
- 21 Then Ta Mok also was happy to send him to S-21. So other than
- 22 these two people, no person was ever sent to S-21 by him.
- 23 So in conclusion, the question by Your Honours is correct. The
- 24 confessions, extraction of confessions, were related to the power
- 25 struggle, in the Democratic Kampuchea regime, between Ta Mok and

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Page 56

- 1 Pol Pot. This is based on my analysis and whether it is true or
- 2 not, I would like Your Honours to further examine it.
- 3 [14.20.30]
- 4 JUDGE LAVERGNE:
- 5 I have nothing further, Your Honour Mr. President. Perhaps other
- 6 colleagues wish to put questions to the accused.
- 7 MR. PRESIDENT:
- 8 Judges of the Trial Chamber, would you wish to put any
- 9 questionings concerning the agreement on the facts to the
- 10 accused? The floor is yours, Judge Silvia Cartwright.
- 11 JUDGE CARTWRIGHT:
- 12 Thank you, President.
- 13 BY JUDGE CARTWRIGHT:
- 14 Q. The first question I want to put to Mr. Kaing Guek Eav is
- 15 whether, when a person was mentioned in a confession, did that
- 16 mention have to suggest that he or she was guilty of something or
- 17 was it sufficient to mention the person's name for that to be the
- 18 basis of further inquiries?
- 19 A.Your Honour, how S-21 writes the confessions is that they were
- 20 made to confess their traitorous activities. So in that
- 21 confession the other people's names were required to be listed
- 22 down. Other people who were implicated then would be arrested
- 23 because of the previous prisoners were implicating them, because
- 24 normally when a person was arrested he would have been associated
- 25 with other people to conduct traitorous activities so he himself

- 1 or she herself could not do that activity alone. That's why more
- 2 names were listed down in such confessions.
- 3 [14.23.24]
- 4 Q.Yes, thank you.
- 5 Now, turning to paragraph 86 of the Statement of Agreed Facts, I
- 6 note that in your response you have set out the complete part of
- 7 the Closing Order referred to by the prosecutors, and at the end
- 8 of the additional material you have said that you partly agree.
- 9 Can I ask you, reading from the material that you have quoted
- 10 from the Closing Order, which parts you agree to and which you do
- 11 not?
- 12 I'll start by asking you whether you agree to the first sentence
- 13 which says:
- 14 "Former S-21 personnel confirm that Duch acted to further
- 15 disseminate this line within the unit."
- 16 Do you agree with that statement in the Closing Order or not?
- 17 [14.25.00]
- 18 A. Your Honour, the political, ideological and stance --
- 19 education regarding the enemies, it was I alone who was entitled
- 20 to grab a mic to educate people in the unit. It is true.
- 21 Q. The second sentence says:
- 22 "In an S-21 interrogator's notebook a statement attributed to
- 23 Duch noted that the work of S-21 is a task of class struggle;
- 24 that is, it is aimed at smashing the oppressor class, digging out
- 25 their trunk and roots to defend the Party, defend the proletariat

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 58

- 1 class, defend Democratic Kampuchea and defend the line of
- 2 independence and mastery."
- 3 First, can I ask you if such a statement can be attributed to
- 4 you?
- 5 A.In educating people, class was in the forefront. It was about
- 6 the class and the class struggle that were the key elements in
- 7 the training and, so far as I remember, there was a word that --
- 8 we'll say that people who were arrested by the Party must be
- 9 regarded as enemies. If you did not regard them as the enemies
- 10 you could never interrogate that person to extract confessions.
- 11 So this is the stance of the Party because you did not trust the
- 12 Party and then you question the person who was arrested by the
- 13 Party, then you could never interrogate such people.
- 14 So to sum up, we had to presume that anyone arrested by the Party
- 15 must be regarded as enemy. And the term "class struggle", it is
- 16 true that the enemy bore within and we were in the bright place
- 17 -- I mean with the light -- and we exposed openly but enemies
- 18 were sneaking inside our ranks. That's why there was a class
- 19 struggle, so that we could overcome the enemies or to beat the
- 20 enemies.
- 21 And I think I would be extreme, a little bit, concerning the
- 22 rooting out of the plant. I think I probably was influenced from
- 23 the magazine but I could not agree fully that it was true because
- 24 I did not read the notebooks by other personnel. That's why I
- 25 was not yet sure to -- I'm not very sure to say that I agree

- 1 fully with this.
- 2 [14.28.55]
- 3 Q.So you are saying that because you haven't read the notebook
- 4 you can't confirm the accuracy of the statement today?
- 5 A.As I have already mentioned in the record, maybe the texts
- 6 were compiled to make sure that they are convincing or maybe I
- 7 forgot about those documents concerning the lists of the
- 8 logistics of the security office of S-21. And I think it was
- 9 originally my notion but maybe the staff at S-21 would make them
- 10 in their own way.
- 11 But I do not contest the comments or the notes made by Brother
- 12 Mam Nai that it was not my idea, but it is true that it was my
- 13 idea, but the phrasing, the wordings would have been made by my
- 14 staff.
- 15 Q.Yes, thank you.
- 16 JUDGE CARTWRIGHT:
- 17 I have no further questions. Thank you, President.
- 18 [14.30.15]
- 19 MR. PRESIDENT:
- 20 The Greffier, verify the attendance of Craig Etcheson, the
- 21 expert; whether he is here at the Court this afternoon or whether
- 22 he is available to give his testimony now.
- 23 THE GREFFIER:
- 24 Your Honours, the expert, Mr. Craig Etcheson is available to
- 25 testify upon request now.

- 1 MR. PRESIDENT:
- 2 Since this afternoon we have the expert, Mr. Craig Etcheson, the
- 3 Trial Chamber is inviting him to be here as an expert, and the
- 4 parties to the proceedings regarding the implementation of the
- 5 CPK's policies at S-21, whether you have questions or remarks to
- 6 be put to the accused, such remarks or questions could only be
- 7 put after the Court heard Craig Etcheson's testimony.
- 8 Mr. Co-Prosecutor, would you like to make any comment?
- 9 [14.32.43]
- 10 MR. BATES:
- 11 Thank you, Mr. President. I was merely rising to my feet to
- 12 confirm that we would indeed be given an opportunity to question
- 13 the accused on this matter. It's, of course, a matter for the
- 14 President as he sees fit. Thank you.
- 15 MR. PRESIDENT:
- 16 Since it is time now to hear this testimony from Mr. Craig
- 17 Etcheson, who is present here already, and with some
- 18 technicalities -- for example, like during his course of
- 19 testimony he is going to present some evidence, so the Chamber
- 20 may take a 20 minute break to make sure that the technicalities
- 21 are ready in place before such testimony. And we need the AV
- 22 officials to help facilitate the presentation of the documents to
- 23 be presented by the expert.
- 24 So the Court is adjourning for 20 minutes. The Greffier, please
- 25 coordinate with the expert.

- 3 Q.According to the findings of your research, can you identify

- 5 A.I can, Your Honour. Would the Chamber please assist me in how

- 8 [15.01.56]
- 9 MR. PRESIDENT:
- 10 I would like Judge Silvia Cartwright to try to respond to these
- 11 matters.
- 12 JUDGE CARTWRIGHT:
- 13 Yes, thank you, President.
- 14 BY JUDGE CARTWRIGHT:
- 15 Q.I have some questions for you, Dr. Etcheson, and before we
- 16 move to the structure of the Communist Party of Kampuchea and
- 17 Democratic Kampuchea, I want to establish your qualifications as
- 18 an expert.
- 19 A. Very well.
- 20 Q.Dr. Etcheson, do you hold a Master of Arts degree from the
- 21 University of Illinois in Political Science and a Doctorate in
- 22 International Relations from the University of Southern
- 23 California?
- 24 A.Yes, Your Honour, that's correct.
- 25 Q.And in your capacity as an investigator for this Court, did

- 1 you prepare a paper entitled, "Overview of Hierarchy of
- Democratic Kampuchea, Document D15?
- 3 A.Yes, Your Honour; and I believe that document is on the case
- 4 file.
- 5 Q.The ERN numbers for that document in English are 00146822 to
- 6 00146887, in Khmer 00314778 to 00314903, and in French 00314639
- 7 to 00314698.
- 8 The next question is this: Have you held senior academic or
- 9 research positions at Yale, George Washington, and Johns Hopkins
- 10 universities since the last 1990s, most recently as visiting
- 11 scholar, Johns Hopkins University, School of International
- 12 Studies, Foreign Policy Institute, Washington, D.C., between 2004
- 13 and 2007?
- 14 A. Yes, Your Honour, that's correct.
- 15 Q. And have you conducted extensive research particularly in
- 16 relation to southeast Asia and into genocide studies?
- 17 A.Yes, Your Honour.
- 18 Q. Have you also published widely in these fields and, in
- 19 particular, concerning the Khmer Rouge period in Cambodia?
- 20 A. That is correct, Your Honour.
- 21 [15.05.40]
- 22 Q. Have you been engaged in studying the structures of Democratic
- 23 Kampuchea for approximately 30 years, and was your first book on
- 24 this topic entitled, "The Rise and Demise of Democratic
- 25 Kampuchea" published 25 years ago?

- 1 A.Yes, Your Honour, that's correct.
- 2 Q.And the reference to that book in the case file is 4.15 ERN
- 3 00105316 to 00105324.
- 4 [15.06.29]
- 5 In preparing the paper, "Overview of the Hierarchy of Democratic
- 6 Kampuchea," did you draw on your own research and on relevant
- 7 documents and other publications?
- 8 A.Yes, Your Honour, I did.
- 9 Q.Do you speak the Khmer language and can you read the Khmer
- 10 language?
- 11 A.No, Your Honour, I neither speak nor read Khmer.
- 12 Q.So by what method did you examine the Khmer language
- 13 materials?
- 14 A.In my research I examined Khmer language materials with the
- 15 help of translators and interpreters and I also examined Khmer
- 16 language materials that have been translated into languages I can
- 17 read, such as English, French, or German.
- 18 Q. Thank you.
- 19 Now, moving to that paper the "Overview of the Hierarchy of
- 20 Democratic Kampuchea, " have you set out in that paper the
- 21 structure and responsibilities of all organs of Democratic
- 22 Kampuchea?
- 23 A. Your Honour, not all organs of Democratic Kampuchea. As is
- 24 suggested by the title, "Overview of the Hierarchy of Democratic
- 25 Kampuchea," this analysis was meant to cover major structures

- 1 rather than to be comprehensive.
- 2 Q.Thank you.
- 3 [15.08.20]
- 4 Could you list some of the major sources used by you in the
- 5 preparation of this paper?
- 6 A.Yes, Your Honour. If it please the Court, I have brought
- 7 along some documents that I would like to refer to in the course
- 8 of my testimony, if I may refer to those materials now?
- 9 Q.Yes, please do.
- 10 A. Your Honour, one key source that I will be referring to
- 11 during my testimony is the 1976 Statutes of the Communist Party
- 12 of Kampuchea. The ERN for this document in English is 00182022
- 13 through 00182047. And I apologize that I do not have the French
- 14 and Khmer ERNs for the document.
- 15 A second key source is a document dated 30 March 1976 entitled,
- 16 "Decisions of the Central Committee Regarding a Number of
- 17 Matters." The ERN for this document is 00182809 through
- 18 001828814.
- 19 In addition to these two documents, in my analysis I also refer
- 20 to a variety of telegrams to and from the Party centre including
- 21 messages from zone leaders such as Ros Nhim, Sao Phim and Ke Pok
- 22 among others.
- 23 [15.11.28]
- 24 I also refer to a wide variety of reports that were written by
- 25 various organizational units of Democratic Kampuchea in the

- 1 zones, sectors, districts, cooperatives, military units and other
- 2 units.
- 3 I also refer to many different kinds of minutes of meetings such
- 4 as minutes of the Standing Committee of the Communist Party of
- 5 Kampuchea, minutes of the general staff of the Revolutionary Army
- 6 of Kampuchea and minutes of meetings of the Council of Ministers.
- 7 I also refer to witness statements and suspect statements. I
- 8 refer to a variety of publications from the Communist Party of
- 9 Kampuchea, such as Revolutionary Flag and Revolutionary Youth. I
- 10 refer to various contemporaneous media reports during the time of
- 11 the Democratic Kampuchea regime; academic analyses.
- 12 I also refer to a variety of documents from S-21, including
- 13 confessions, prisoner lists and notebooks that were kept by
- 14 cadres who were employed at S-21. I refer to a number of United
- 15 Nations reports, several computer databases and a variety of
- 16 other sources.
- 17 Q.Now, drawing on that material and referring to your paper, can
- 18 you tell the Court what the most powerful organ of the Party and
- 19 of Democratic Kampuchea was?
- 20 A.In theory, the Central Committee of the Communist Party of
- 21 Kampuchea was the most powerful organ of Democratic Kampuchea.
- 22 Q.What were the central committee's responsibilities?
- 23 [15.14.41]
- 24 A.If I can refer, Your Honour, to the overview of the hierarchy
- 25 paper, the central committee's duties included implementation of

- 1 the Party's lines throughout the country, giving instructions to
- 2 all zone, sector and municipal organizations and to the Party
- 3 organs, taking responsibility for various nationwide departments
- 4 and administering and deploying cadre and Party members within
- 5 the Party as a whole while maintaining a clear and constant grasp
- 6 on their biographies and political, ideological and
- 7 organizational stances and constantly indoctrinating and
- 8 educating them in terms of politics, ideology and organization.
- 9 Q.And that statement is found at 00146824, paragraph 11. Is
- 10 that correct?
- 11 A. That's correct, Your Honour.
- 12 Q.Where were those responsibilities recorded?
- 13 A. Those responsibilities are defined in Article 23 of the CPK
- 14 statutes.
- 15 [15.16.27]
- 16 Q.Did the CPK convene regularly?
- 17 A.According to Article 21 of the CPK statutes, a Party congress
- 18 was to be convened every four years. According to Article 25 of
- 19 the CPK statutes, ordinary meetings of the Party were to be held
- 20 every six months.
- 21 In practice, Your Honour, the first CPK congress was held in 1960
- 22 and the fifth CPK congress was held in 1978. So with five
- 23 congresses across the course of 18 years, it appears that the
- 24 requirement in Article 21 of the CPK statutes was met by the
- 25 Party leaders.

- 1 However, while there were ordinary meetings of the Party from
- 2 time to time, based on my understanding of Party history, they
- 3 did not manage to meet as often as every six months for an
- 4 ordinary meeting. In some periods, particularly during the
- 5 periods of war, they seemed to meet rather less frequently.
- 6 Q. Thank you.
- 7 [15.18.21]
- 8 Now, you said before that in theory the Central Committee was the
- 9 most powerful organ of the Party. Did it delegate its duties to
- 10 any other organ or body?
- 11 A.Yes, Your Honour. In between Party congresses the duties of
- 12 the Central Committee were carried out by the Standing Committee,
- 13 which was an executive body of the Central Committee.
- 14 Q.Thank you.
- 15 Now, in your paper you prepared a chart showing the command
- 16 structure of the Communist Party of Kampuchea's Standing
- 17 Committee. Are you able to show that chart now?
- 18 A.Yes, Your Honour, with the - -
- 19 Q.Assistance of AV.
- 20 A.- - assistance of the AV people.
- 21 [15.19.28]
- 22 Q.Yes. The ERN number is 00146826.
- 23 Perhaps you would just quickly lead us through that chart which
- 24 is mostly self-evident, but the different names at the top of the
- 25 chart may be of interest.

Page 70

- 1 A.Yes, Your Honour. This organization chart depicts my
- 2 understanding of the Standing Committee of the Central Committee
- 3 of the Communist Party of Kampuchea. This body was also known as
- 4 Angkar Leu or the High Organization. It was sometimes referred
- 5 to as the Party Centre or sometimes referred to as the Upper
- 6 Brothers.
- 7 The standing committee consisted of Pol Pot, who was Secretary of
- 8 the Communist Party; Nuon Chea, who was deputy secretary and in
- 9 1975 at least, Ieng Sary, Vorn Vet, Sao Phim, Ta Mok and Ros Nhim
- 10 were members of the Standing Committee, while Son Sen and Kong
- 11 Sophal were alternate members of the Standing Committee.
- 12 Q.Now, alongside some of those names you have dates with D --
- 13 under Pol Pot, for example, D.1998, which I presume means that he
- 14 died in 1998.
- 15 Could you just tell us the indications under Vorn Vet, Sao Phim,
- 16 Ta Mok, Ros Nhim, Son Sen and Kong Sophal, please?
- 17 A.Yes, Your Honour. You are correct that where I have
- 18 indicated, for example, D.1998, this is meant to indicate that
- 19 Pol Pot died apparently of natural causes in 1998.
- 20 In the case of Vorn Vet, where it says E.1978, this is meant to
- 21 indicated that he was executed in 1978.
- 22 In the case of Sao Phim, where I have indicated S.1978, this
- 23 indicates that he committed suicide in 1978 after he was wounded
- 24 while an arrest attempt was being made upon him by the Party
- 25 Centre.

- 1 In Ta Mok's case, he died of natural causes in 2006.
- 2 In Ros Nhim's case, he was executed in 1978.
- 3 Son Sen was executed in 1997 and Kong Sophal was executed in
- 4 1978.
- 5 [15.23.51]
- 6 Q. Thank you.
- 7 Is there any other comment you wish to make on that chart,
- 8 perhaps relating to Son Sen and Kong Sophal's membership as
- 9 alternate members?
- 10 A.Yes. Over the course of the regime, I believe that Son Sen
- 11 was eventually promoted to full membership in the Standing
- 12 Committee, while Kong Sophal remained an alternate member until
- 13 his eventual arrest and execution at S-21.
- 14 Q. Thank you.
- 15 Under the Standing Committee were there a number of further
- organs, each with their own responsibilities?
- 17 A.Yes, Your Honour, there were. If it please the Court, I would
- 18 like to illustrate my answer with another chart that I have
- 19 prepared.
- 20 Q.Is this a chart that is already in the case file or is it new
- 21 material?
- 22 A.Yes, Your Honour, this chart is in the case file at -- if I
- 23 can find it -- ERN 00146854.
- 24 [15.25.38]
- 25 Q. Thank you.

- 5 JUDGE CARTWRIGHT:
- 6 Well, if you just pause there for a moment.
- 7 Can I ask if any party has any opposition to this new material

- 10 MR. WERNER:
- 11 None, Your Honour.
- 12 JUDGE CARTWRIGHT:
- 13 Thank you.
- 14 MR. WERNER:

- 18 Yes.
- 19 MR. WERNER:
- 20 If there are hard copies, I mean.

- 1 MR. ROUX:
- 2 Same observation, Your Honour. I would like a paper copy and an
- 3 ERN number so that we can find this document in the case file.
- 4 JUDGE CARTWRIGHT:
- 5 Can I just explain, Maître Roux, that this is a new chart? It is
- 6 not yet in the case file, but a hard copy can be made available
- 7 later, not immediately. Is that acceptable to you?
- 8 MR. ROUX:
- 9 It is not an ERN number that I want. I just want a number so
- 10 that it can be tendered into the case file, so that when we refer
- 11 to the document we can have a number.
- 12 JUDGE CARTWRIGHT:
- 13 Yes. Well, I'm not sure how that is done, but it will be done.
- 14 Thank you.
- 15 BY JUDGE CARTWRIGHT:
- 16 Q.Now, there seems to be no opposition to referring to this
- 17 chart now, Dr. Etcheson, so perhaps you could take us through it,
- 18 please?
- 19 A.Yes, Your Honour. At the top of this chart there is a box
- 20 labelled "Centre" and this indicates the previous organizational
- 21 chart that we were looking at -- the Party Centre or the Standing
- 22 Committee of the Central Committee of the Communist Party. Below
- 23 the level of the Standing Committee, Democratic Kampuchea was
- 24 divided into a number of zones. Each of these zones was governed
- 25 by a three-person Party committee composed of a secretary, a

- 1 deputy secretary usually responsible for security, and a member
- 2 usually responsible for economics.
- 3 [15.29.13]
- 4 The zone secretaries were appointed by the Standing Committee and
- 5 other members of the Zone Committee were appointed by the zone
- 6 secretary with the approval of the Standing Committee.
- 7 Initially, in Democratic Kampuchea in 1975 there were six zones:
- 8 the Southwest, the West, the Northwest, the North, the Northeast
- 9 and the East. There were also several additional areas
- 10 designated as autonomous sectors, and still other areas known as
- 11 special municipal regions under military authority, including the
- 12 capital, Phnom Penh, and the nation's principal seaport, Kampong
- 13 Som.
- 14 In 1976, two of the autonomous sectors, Sectors 103 and 106, were
- 15 combined to form a new North Zone, while the zone that had
- 16 previously been known as the north was henceforth called the
- 17 Central Zone. Later the autonomous Sectors 105 and 505 were
- 18 incorporated into the existing Northeast Zone. The zones were
- 19 themselves further subdivided into entities known as sectors.
- 20 The number of sectors in each zone varied, ranging from the
- 21 sector with the smallest number of zones, the new North Zone,
- 22 which had only two sectors, to the sector that had the greatest
- 23 number -- to the zone that had the greatest number of sectors,
- 24 the Northwest, which was divided into seven sectors.
- 25 [15.31.45]

Page 75

- 1 Like the zones, the sectors were governed by three-person Party
- 2 committees, consisting of a Secretary, a Deputy Secretary,
- 3 typically responsible for security matters, and a member
- 4 typically responsible for economics.
- 5 Sector secretaries in established zones were appointed by the
- 6 zone Secretary, with the approval of the Standing Committee, and
- 7 other members of the Sector Committee were generally appointed by
- 8 the sector Secretary with the approval of the zone Secretary and
- 9 the Standing Committee. However, for autonomous sectors such as
- 10 103 and 106, before they were combined into the new North Zone,
- 11 those were controlled directly by the Standing Committee and
- 12 leadership within those sectors was a responsibility of the
- 13 Standing Committee.
- 14 The sectors were further subdivided into districts. As with
- 15 zones and sectors, districts were also governed by three-person
- 16 Party committees consisting of a Secretary, a Deputy Secretary
- 17 responsible for security, and a member responsible for economics.
- 18 District Secretaries were, generally speaking, appointed by the
- 19 sector Secretary with the approval of the zone Secretary and the
- 20 Standing Committee, while other members of the District Committee
- 21 were generally appointed by the district Secretary with the
- 22 approval of the zone and sector Secretaries.
- 23 [15.34.04]
- 24 Districts were a key echelon in the hierarchy of Democratic
- 25 Kampuchea because the districts maintained security offices which

- 1 distinguished between enemies who were to be disposed of locally,
- 2 and enemies who would be sent up the chain of command to higher
- 3 level authorities. Also, with districts we have the first
- 4 correspondence in the DK hierarchy with pre-revolutionary and
- 5 post-revolutionary political geography in Cambodia. That is to
- 6 say, prior to Democratic Kampuchea there were districts and after
- 7 Democratic Kampuchea there were district administrative entities,
- 8 but sectors and zones were a novel administrative creation of
- 9 Democratic Kampuchea.
- 10 [15.35.18]
- 11 Now, districts were further subdivided into sub-districts, or
- 12 communes. Traditionally in Cambodia, communes were subdivided
- 13 into villages, but in the DK system, villages were combined into
- 14 larger entities known as co-operatives in which communal eating
- 15 and work was organized. Other units of organization existed
- 16 within the communes such as mobile brigades, local militia,
- 17 various kinds of work groups. Communes were governed by a CPK
- 18 branch committee, which was the lowest level of the CPK
- 19 hierarchy. Unlike the structure of higher-echelon Party
- 20 committees, branch committees typically had more than three
- 21 persons although all committee members remained under the
- 22 authority of the branch Secretary. That may well suffice for a
- 23 description of this organization chart, Your Honour.
- 24 Q.Yes, thank you very much.
- Now I want to focus on the relationship between any of these

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Page 77

- 1 organs and the accused, and S-21. So my questions are directed
- 2 accordingly from this point on. How were the Central Committee
- 3 and the organs under it established formally?
- 4 A. Your Honour, at the First Congress of the Communist Party of
- 5 Kampuchea in 1960, approximately 20 persons gathered in a house
- 6 near the Phnom Penh railway station, where they devised a
- 7 political program and elected a Central Committee of eight to ten
- 8 members. That Central Committee then elected a three-person
- 9 Standing Committee. After 1960, over time, the size and the
- 10 composition of both the Standing Committee and the Central
- 11 Committee gradually changed, as did the number and the functions
- 12 of the subsidiary organs that were established by the Party.
- 13 Q. The structure was of course reflected in the statute to which
- 14 you have already referred. Was that structure a reflection of
- 15 the establishment started in 1960 or were there some novel points
- 16 in the statute itself?
- 17 A. That's a very complicated question, Your Honour. We know that
- 18 the 1976 statute of the CPK was not the first CPK statute,
- 19 because we have pre-1976 CPK documents that refer to a CPK
- 20 statute. However, I have not seen copies of any of these
- 21 pre-1976 CPK statutes, so I can only make inferences about what
- 22 they may have contained. That said, we do have a pre-1976
- 23 document that specifies the organization of the Party at the
- 24 level of communes and districts and this document says that it is
- 25 based on a CPK statute. So it seems likely that the Party

Page 78

- 1 statutes were revised from time to time to reflect the evolving
- 2 situation and the gradually expanding span of territorial control
- 3 that the revolutionary forces enjoyed.
- 4 [15.41.08]
- 5 As for M-13 and S-21 -- oh excuse me, Your Honour.
- 6 Q.No, that's fine; please go on. I would like to know how they
- 7 were established.
- 8 A.I have never seen any contemporaneous documents describing the
- 9 establishment of either M-13 or S-21. ...
- 10 The accused person has testified to the Co-Investigating Judges
- 11 that Son Sen ordered himself and Division 703 Secretary In Lorn,
- 12 alias Nat, to establish S-21 in August 1975.
- 13 Given the principles of democratic centralism and collectivism
- 14 that are described in the statutes of the Communist Party, it
- 15 seems likely that Son Sen would not have done such a thing on his
- 16 own authority; much more likely he would have been acting
- 17 pursuant to a decision of the standing committee.
- 18 [15.42.43]
- 19 Q.In his testimony earlier today, the accused was asked about
- 20 his use of the statute in training at S-21. He responded saying
- 21 that he did not use it in his teaching. He considered it a
- 22 barrier to conceal the Party line and that he was aware that he
- 23 could not refer, I assume, directly to the statute.
- 24 Do you have any comment to make on that?
- 25 A. This is a difficult comment for me to understand, Your Honour.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 79

- 1 I should imagine that training of full members of the Party would
- 2 certainly need to include instruction in the statutes of the
- 3 Party. So perhaps I just do not understand what the accused
- 4 person means when he makes such a comment.
- 5 Q.He was saying, however, as I understood it, that he did not
- 6 use the statute in his training of S-21 personnel.
- 7 Have you any comment to make on that?
- 8 [15.44.21]
- 9 A.It may well be that some personnel at S-21 were not
- 10 full-rights members of the Party.
- 11 Q. The accused also said in his testimony earlier today that the
- 12 statute was an internal document and therefore confidential.
- 13 Is that your understanding of its status?
- 14 A.That's correct, Your Honour. The CPK placed a very high value
- 15 on secrecy and such a sensitive document as this describing the
- 16 Party's structure would certainly have been regarded as a highly
- 17 sensitive and confidential matter.
- 18 Q. Thank you.
- 19 Now, I want to ask whether the CPK Central Committee or its
- 20 Standing Committee played any role in the control of the
- 21 Government of Democratic Kampuchea?
- 22 A.I would refer, in reference to this question, Your Honour, to
- 23 a document I previously mentioned called "Decisions of the
- 24 Central Committee Regarding a Number of Matters" which is ERN
- 25 00182809 through 00182814. In this document at page 5 it says,

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Page 80

- 1 regarding the Assembly, the Presidium of the State and the
- 2 government:
- 3 "They are the state organizations of our Party."
- 4 [15.46.56]
- 5 On the next page of this document, under a heading "The
- 6 Government", this document says:
- 7 "Must be totally an organization of the Party."
- 8 Thus, this document indicates to me that it was the intention of
- 9 the standing committee that it would have total control over the
- 10 government.
- 11 Q.In his testimony earlier today, the accused placed great
- 12 significance on the document to which you have just referred.
- 13 Can I assume from your comments that you would agree with him
- 14 that this was a highly significant document?
- 15 A.Yes, Your Honour. There are a number of things in this
- 16 document that, it seems to me, are crucial to an understanding of
- 17 the policies of Democratic Kampuchea.
- 18 Q.Now, I'd like to ask what part the standing committee,
- 19 delegated by the central committee, in effect, played? What were
- 20 its actual duties?
- 21 [15.48.37]
- 22 A. The standing committee devised policy for all sectors and
- 23 organizational units of Democratic Kampuchea and monitored the
- 24 implementation of that policy throughout the country.
- 25 Q.And we have heard testimony concerning Office 870. Can you

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Page 81

- 1 tell us what part that office played and which organ guided its
- 2 activities?
- 3 A.Office 870 was sometimes referred to by people at lower
- 4 echelons as "the Centre" or as "the Organization" although this
- 5 may have been a slight misuse of how the Party Centre intended
- 6 the term "Organization" to be used. It still indicates that
- 7 lower echelons of the Party viewed Office 870 as the source of
- 8 authority for the remainder of the Party.
- 9 Q. Thank you.
- 10 [15.50.12]
- 11 Now, you have said that the standing committee had the duty to
- 12 monitor policy. Is that correct?
- 13 A.Yes, Your Honour. Again, referring to the -- no, excuse me, I
- 14 would like to refer to another document. This document is a
- 15 minute of a meeting of the standing committee dated 9 October
- 16 1975. It is ERN 00183393 through 00183408. In this document at
- 17 ERN 00183396 the minutes say:
- 18 "The Office of the Standing Committee makes contacts back and
- 19 forth with each section. The standing committee monitors each
- 20 section's implementation of the line. The office has the task of
- 21 monitoring implementation."
- 22 Thus, we can see from very early on in the regime that this
- 23 office was responsible for monitoring the implementation of CPK
- 24 policy nationwide.
- 25 Q.So does that mean that the zones were expected to report to

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 82

- 1 Office 870?
- 2 A.Yes, Your Honour, that's correct. The CPK statutes required
- 3 each echelon to report regularly to its superior echelon.
- 4 Q.What control did Office 870 and/or the standing committee
- 5 exercise over security within the zones?
- 6 [15.53.21]
- 7 A.Referring again to the document titled, "Decision of the
- 8 Central Committee Regarding a Number of Matters", which we
- 9 previously gave the ER number for, this document made the Centre
- 10 Office responsible for security of the centre.
- 11 For nationwide security we know from numerous witness statements
- 12 that a subsidiary organ of the standing committee known as the
- 13 Centre Military Committee maintained control of security outside
- 14 the centre. Some of those witness statements are on the case
- 15 file but, unfortunately, we do not have any contemporaneous
- 16 documents which would corroborate those witness statements.
- 17 [15.54.36]
- 18 Q.Returning briefly to your chart that as yet does not have an
- 19 ERN number but sets out the relationship from the central
- 20 committee through to the cooperatives, can I assume that the
- 21 zones had certain security responsibilities in relation to
- 22 sectors, district parties, cadres and Party members?
- 23 A.Yes, Your Honour, that's correct. Article 19 of the CPK
- 24 statutes describes the security and responsibilities of the
- 25 zones. Zone committees were responsible for cadres and the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

- 1 sectors and the districts and were required to closely examine
- 2 the personal histories of all cadres.
- 3 Q. And were the zones expected to collate information including
- 4 personal biographies?
- 5 A.Yes, Your Honour. Every CPK cadre was required to regularly
- 6 update a detailed autobiography which would then be meticulously
- 7 checked and verified by inspectors.
- 8 Q.And how were those biographies used?
- 9 A. The biographies were used to search for and identify what were
- 10 known as "bad elements"; that is, Party members who had some flaw
- 11 in their personal history, in their life history which might
- 12 indicate that they could be less than fully loyal to the Party.
- 13 For example, if your parents had owned two cows and a buffalo in
- 14 the old society then that means you came from a middle peasant
- 15 background rather than a poor peasant background and, therefore,
- 16 you were not pure in the eyes of the Party.
- 17 [15.57.36]
- 18 Q. And if such information emerged from the biographies did the
- 19 zones have disciplinary authority in relation to those people?
- 20 A.Again, referring to the statutes of the CPK, Article 4 of the
- 21 CPK statutes concerning Party discipline requires all members of
- 22 the Party to enforce discipline. Article 19 of the statutes
- 23 concerning the tests of the zone committee specifically requires
- 24 the zone committee to enforce discipline in the zone framework.
- 25 Q.In confessions that you have examined that are derived from

- 1 S-21, have you located any references to executions under zone
- 2 authority?
- 3 A.Oh, my, yes.
- 4 MR. ROUX:
- 5 Your Honour, excuse me. Could we maybe take the time so that the
- 6 translators may translate so that the expert can respond
- 7 afterwards, so that the translation can come through clearly?
- 8 Thank you very much.
- 9 JUDGE CARTWRIGHT:
- 10 Which aspect have we lost so far, Maître Roux, the answer to the
- 11 last question?
- 12 [15.59.30]
- 13 MR. ROUX:
- 14 Sometimes they have a problem with the gap. So if we could go a
- 15 little bit slower this would be a good idea. Thank you very
- 16 much.
- 17 JUDGE CARTWRIGHT:
- 18 Yes, I do apologize. I can't hear any other translations so I
- 19 don't know when it's stopped but we will try harder. Thank you.
- 20 BY JUDGE CARTWRIGHT:
- 21 Q.Now, Dr. Etcheson, could you just go back to the last question
- 22 which concerned disciplinary authority held by the zones?
- 23 A.Yes, Your Honour.
- 24 Article 4 of the CPK statutes concerns Party discipline generally
- 25 and it requires all members of the Party to actively enforce

- 1 Party discipline. Article 19 of the CPK statutes concerns the
- 2 tasks of the zone committee and it requires the zone committee to
- 3 enforce discipline and security in the zone framework.
- 4 Q.Thank you.
- 5 In confessions that you have read at S-21, in confessions that
- 6 derived from S-21 that you have read, were there any references
- 7 to executions under zone authority?
- 8 A.Yes, Your Honour, there are many. One example is the S-21
- 9 confession of Chou Chet, alias Si, secretary of the West Zone.
- 10 That confession is dated 21 March 1978 and is ERN 00013660
- 11 through 00013990. In this confession the West Zone Secretary
- 12 describes executions in the West Zone that were carried out under
- 13 his own authority.
- 14 [16.03.29]
- 15 Q. Thank you. Did the zones, the sectors and districts have any
- 16 powers to command armed units with their own General Staffs?
- 17 A.Yes, Your Honour. Each zone committee commanded division- and
- 18 regiment-sized military units which were commanded and managed by
- 19 a General Staff based in each zone. Similarly, sector committees
- 20 commanded armed units, often of regiment size, which were also
- 21 generally managed by a General Staff. At the district level the
- 22 Party committee also commanded armed units, but these units were
- 23 often less formal and sometimes in the form of a militia known as
- 24 the chhlop, and at the district echelon ordinarily we would not
- 25 see a General Staff structure.

- 1 Q. Thank you. Were the zones directed to take any disciplinary
- 2 action relating to internal security?
- 3 A.Yes, Your Honour. All echelons were constantly exhorted by
- 4 the Party Centre to take action on internal security. If I may,
- 5 I could cite some examples from Party publications that I
- 6 included in my overview paper.
- 7 Q.Please do.
- 8 A.In the Party journal Revolutionary Flag, the November 1977
- 9 issue which is on the case file at ERN 00000267 through 00000277,
- 10 it says, and I quote:
- 11 "We have been able to sweep cleanly away more than 99 percent of
- 12 the contemptible major concealed enemies boring from within.
- 13 Things throughout the country must be examined like this. Each
- 14 sector must be examined like this. Each district must be
- 15 examined like this. Each co-operative must be examined like
- 16 this. The army and ministries and offices must be examined like
- 17 this."
- 18 [16.08.18]
- 19 A second example, also from Revolutionary Flag, comes from the
- 20 May 1978 issue which is on the case file, ERN 00064551 through
- 21 00064585. This publication says, and I quote:
- 22 "We must see as key the duties of attacking the domestic enemy,
- 23 that this is related to every one of all our other duties. Every
- 24 Party level must therefore adopt the role of leading the army and
- 25 the people to attack all such enemies. Sweep them cleanly away.

- 1 Sweep and sweep and sweep again and again, ceaselessly, so that
- 2 our Party forces are pure, our leading forces at every level and
- 3 every sphere are clean at all times."
- 4 Q.What was Son Sen's role in the CPK Standing Committee and in
- 5 government?
- 6 A.If I may, Your Honour, in the overview paper I have an
- 7 organization chart which could assist in answering this question.
- 8 Q.That's the chart at ERN 00146854?
- 9 A. That's correct, Your Honour.
- 10 [16.11.08]
- 11 Q. With the assistance of AV can we have a look at that?
- 12 A.Son Sen's powerful role in Democratic Kampuchea is illustrated
- 13 by his interlocking positions of authority in the government, the
- 14 military, and the Party. ...
- 15 In the government, as shown in this chart, he was the Deputy
- 16 Prime Minister for National Defence. In the Party, as shown in
- 17 the previous chart of the Party Centre that we saw, he was a
- 18 member of the standing committee. And finally, in the
- 19 Revolutionary Army of Kampuchea, he was Chief of Staff of the
- 20 General Staff. So in the army, in the Party and in the
- 21 government, he had a leading role.
- 22 [16.12.44]
- 23 However, his real authority flowed from his position in the
- 24 Communist Party of Kampuchea.
- 25 Q. Thank you.

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

Case No. 001/18-07-2007-ECCC/TC KAING GUEK EAV 18/05/2009

Page 88

- 1 And from that chart, you indicate that the accused, as chair of
- 2 S-21, reported to Son Sen in his capacity as the deputy prime
- 3 minister with responsibility for national defence. Is that
- 4 correct?
- 5 A.Yes, Your Honour, with one caveat. As shown in this chart,
- 6 from the time that the accused became chairman of S-21 in March
- 7 1976 until September 1977, the accused reported directly to Son
- 8 Sen.
- 9 However, in September 1977, Son Sen was assigned to go to the
- 10 east to take direct command of the Revolutionary Army of
- 11 Kampuchea which was engaged in escalating conflict with Vietnam.
- 12 [16.14.36]
- 13 So from that time, September 1977 through January 1979, the
- 14 accused reported directly to Nuon Chea, the CPK deputy secretary.
- 15 On the case file, you can find confirmation of that fact by
- 16 examining the cover sheets of many different S-21 confessions
- 17 that were sent from S-21 to upper echelons. Prior to September
- 18 1977 these confessions were typically addressed to Son Sen,
- 19 whereas after September 1977 you can see from notations on the
- 20 cover sheets of the confessions that after that date they were
- 21 sent to Nuon Chea.
- 22 Q.Yes, thank you.
- 23 [16.15.54]
- 24 In his testimony the accused, as I understand him, said that
- 25 there were four groups whose orders had to be obeyed. The first

- 1 group was the seven zone secretaries, then the chair of the
- 2 Committee of Office 870, then the standing committee and then the
- 3 general staff; namely, Son Sen.
- 4 Do you agree with that statement?
- 5 A.To a certain degree, yes, I do. However, I would also say
- 6 that hierarchical authority was absolute in the Communist Party
- 7 of Kampuchea and in the organization of Democratic Kampuchea, so
- 8 that anyone in that organization was required to obey the orders
- 9 and directives of his or her superior echelon.
- 10 Q.Now, you have mentioned Son Sen's role in the military. Could
- 11 you expand on the military's responsibilities for security, both
- 12 external and internal?
- 13 A.Yes, Your Honour. The Revolutionary Army of Kampuchea was
- 14 charged with protecting both internal and external security. I
- 15 discussed this issue in the overview paper. So if I can refer to
- 16 it once again -- and again, this is a citation to an issue of the
- 17 Party journal Revolutionary Flag, dated June 1976, which is on
- 18 the case file at ERN 00062836 through 00062876. In that edition
- 19 of Revolutionary Flag the Party leadership stresses that:
- 20 "The core and crucial duty of the Revolutionary Army is the
- 21 defence of the country and of security domestically within the
- 22 country."
- 23 [16.20.03]
- 24 Q. Thank you.
- 25 Now, is there any other comment that you want to make on the

Extraordinary Chambers in the Courts of Cambodia Trial Chamber - Trial Day 16

- 1 chart that is presently on our screens or shall we ask AV to turn
- 2 it off?
- 3 A. You can turn it off, Your Honour.
- 4 Q.Thank you.
- 5 Now, in any of his roles did you see any documents where Son Sen
- 6 gave orders concerning internal security to military commanders?
- 7 A.Yes, Your Honour. In my report overview of the hierarchy of
- 8 Democratic Kampuchea I present many examples of documents which
- 9 show Son Sen giving orders to military commanders regarding
- 10 internal security. For example, there is a document titled,
- 11 "Minutes of the Meeting of Secretaries and Deputy Secretaries of
- 12 Divisions, Secretaries and Deputy Secretaries of Regiments."
- 13 This document is dated 2 August 1976 and it is on the case file
- 14 at ERN 00183959 through 00183961.
- 15 [16.22.48]
- 16 In this document Son Sen is quoted as saying:
- 17 "In carrying out the duty of defending the country it is
- 18 imperative to think in terms of fending off enemies both external
- 19 and internal, but it is especially important to pay attention to
- 20 fending off the enemy that is boring from within. This means it
- 21 is imperative to pay attention to purging no good elements
- 22 completely from the Party, the core organizations, and our male
- 23 and female combatants within the revolutionary army."
- 24 Thus, we have evidence in this document of Son Sen ordering his
- 25 military commanders to carry out purges throughout the army and

- 1 the Party.
- 2 Q.Do you have other references you wish to make in relation to
- 3 this question, Dr. Etcheson? Otherwise, we'll adjourn now at the
- 4 President's request and resume tomorrow morning.
- 5 A.That document should be adequate to make the point, I think,
- 6 Your Honour.
- 7 Q. Thank you, Dr. Etcheson.
- 8 Mr. President.
- 9 MR. PRESIDENT:
- 10 Judge Lavergne, would you like to make any comments? The floor
- 11 is yours.
- 12 [16.25.20]
- 13 JUDGE LAVERGNE:
- 14 We have a problem in that we have references with ERN numbers of
- 15 documents in English. I think it would be useful for us to have
- 16 all the reference numbers in the three languages, especially for
- 17 documents, most of which are in Khmer in the original. In my
- 18 view, it would also be useful for us to know whether the document
- 19 has a "D" number or whether it is attached to the introductory
- 20 submission, in which case it will have a reference in the
- 21 introductory submission which would at least enable us to find it
- 22 more easily. This will help us to facilitate proceedings for all
- 23 the parties.
- 24 MR. PRESIDENT:
- 25 Mr. François Roux, you take the floor.

- 1 MR. ROUX:
- 2 Mr. President, in order to facilitate the work we could ask the
- 3 expert to cite or -- to cite the note he refers to because there
- 4 is a number of documents that should be included in the case file
- 5 based on numbers that follow his report. So if he would be so
- 6 kind, when he refers to a document he should give us the end note
- 7 number which provides information on the document. It would make
- 8 it easier to find it in the three languages.
- 9 This is what we refer to as a footnote, of which there are 335
- 10 which means there are 335 documents attached to the report and if
- 11 we use those numbers it would be easy for us to find the
- 12 documents.
- 13 [16.27.32]
- 14 Thank you.
- 15 MR. PRESIDENT:
- 16 Judge Cartwright, you take the floor.
- 17 BY JUDGE CARTWRIGHT:
- 18 Q.Dr. Etcheson, are you able to do that for the future and also
- 19 provide us with the other references for the ERN numbers you have
- 20 given today which refer to the English version only?
- 21 A. Your Honour, it would be easy for me to, in many cases, refer
- 22 to a footnote number in the overview report . I would add that
- 23 although there are however many, counsel has cited 300 and some
- 24 footnotes in the document, some of those individual footnotes
- 25 actually cite many documents rather than one. Be that as it may,

- 1 I can make an effort to provide both case file document numbers
- 2 and ERNs for all three languages for the various documents I
- 3 refer to and I'll try to make that available to the Court to
- 4 provide to the parties.
- 5 Q. Thank you very much, Dr. Etcheson.
- 6 MR. PRESIDENT:
- 7 Thank you very much, Dr. Craig Etcheson. Since it is time to
- 8 adjourn for the afternoon session we would resume the session
- 9 tomorrow and we would like you to come back to the courtroom
- 10 tomorrow.
- 11 The Court is adjourned now and the session will be resumed
- 12 tomorrow at nine a.m. The participants and the parties to the
- 13 proceedings are advised to come to the courtroom by that time.
- 14 [16.30.34]
- 15 The security personnel please take the accused back to the
