Dear Mr Roberts,

This past September 1<sup>st</sup>, I wrote to you (see enclosed copy) and also attached a copy of a letter dated 21 April 2016.

I also asked you to send me the addendum to the complaint dated 19 February 2016. I still haven't received that addendum, so I am hereby specifically asking you for it once again. I wish to assess whether the addendum forms part of the complaint submitted earlier against Mr Koppe, or whether I must initiate a separate (hence new) investigation for what is contained therein.

I await your response.

Sincerely yours,

P.N. van Regteren Altena
