WESU is grateful for the opportunity to provide input on the reclassification process in Case 002.

Annexed to this memorandum is a list of witnesses, Civil Parties and experts who testified in Case 002/01 and Case 002/02, including the protective measures which were ordered for their testimonies.

Please note that the Trial Chamber referred to all witnesses, Civil Parties and experts who testified publicly by name in their judgments (E313, E465) and witness decisions (E312, E459). The use of pseudonyms was therefore limited to trial proceedings only. To WESU's knowledge, other protective measures which were ordered (such as facial/voice distortion) remain in place for the identified witnesses.

I hope this information assists the Chamber. Please don't hesitate to let me know if you require any further information.
