Subject Interview of witness

Dear Sir,

My colleague, Mr. Judge You Bun Leng, and I have well received your letter seeking to see the detainee Kaing Guek Eav, alias Duch. Before reviewing your request, we are of the opinion that it is important for the benefits of the investigation process to interview you in the capacity of a witness. This interview had been scheduled before the arrival of your letter to our offices.

I am able to organize your appearance within three weeks. In this case, it would require that you contact me either by email or one of telephone numbers mentioned below, so that we set the date.

We are looking forward to reading from you.

Sincerely yours;
