Dear respected and beloved Brother:

We have just received a letter from Dr. Malkol Kalvel of University College London together with his article being published in the Daily Telegraph that analyzes the Thailand's intention toward Cambodia. He would like to request some documents from Cambodia including the Party Secretary's speeches. In this regard, I intend:

1. To write a letter appreciating his debating spirit to do justice to Cambodia.
2. To send him documents continually.
3. To deliver his articles in English to Angkar by telegraph so that Angkar can check them since we do not clearly understand them.
4. To request Angkar to draft a letter of appreciation in English.

PS: He is the one who fights against the Western Capitalist's propagation that keeps defaming the South East Asian struggle movements.
