... still continued instructing other people such as Ân (អ័ន), Kuon (ក្លូន), and Hao (ហៃ), while instructing each of them to absolutely maintain secrecy.

After that, I got sick, stayed in the Sector hospital and also attended the education session held in that Sector. At that time, when Comrade Yi (យី), Comrade Kuon, and I met, we often talked in anger about waiting and watching the situation in April 1977 to see how it would change all around the country when the Vietnamese took action and entered.

After the victory anniversary celebration ceremony on 19 April 1977, *Angkar* called Comrade Yi, Comrade Nuon (នួន), Comrade Ruos (រួស), Comrade Phan (ផាន) and me to attend the education session held in Borei Keila (ប៊ុរីកើឡា) until 22 April 1977. At 6 p.m. when the course was over, I was arrested by *Angkar* and sent here.

I would like to report to *Angkar* that this is the complete history of all of my traitorous activities.
