History: This message has been replied to.

Dear Helen,

Due to ITU's current workload and queue of priority requests, we are sorry to inform you that your expected delivery date on 5th Feb 2013 for this document is not possible.

ITU will let you know when this document will be delivered in the afternoon of 31 Jan 2013.

Many thanks in advance for your kind understanding.

Regards,

Naroeun

Subject: Translation request

Dear Chanmony,

This morning I submitted a request for translation of a 13-page portion of an Appeal we are working on. I requested a translation date of 5 February. Can you let me know whether translation will be possible by this date?

Thank you very much,
Helen
