MEMORANDUM - TRIAL CHAMBER

សាធារណៈ / Public

Date: 31 January 2013

TO: All parties, Case 002

FROM: NIL Nonn, President, Trial Chamber *(Signature)*

CC: All Trial Chamber Judges; Trial Chamber Senior Legal Officer

SUBJECT: Response to Co-Prosecutors' Follow-Up Request to Place on the Case File a Video Recording of a Lecture by Expert Philip SHORT (E260/1)

1. Reference is made to the above request, which refers to brief excerpts of a video-recording of a lecture given by Expert Philip SHORT, which the Chamber has authorized the Co-Prosecutors to refer to during the Expert's testimony (E260). At the time of their request to do so, the video recording of the lecture was only available on-line. As the Co-Prosecutors have since been able to obtain a video recording of the lecture, they now seek leave to place this video recording on the Case File, in order to facilitate equal access to it by the parties, to create a more complete record of the Expert's evidence on the Case File, and alleviate the risk of technical difficulties should the video recording be accessed *via* remote streaming on the internet during Mr. SHORT's testimony.

2. The Chamber grants this request. It further invites the parties, when confronted with similar requests, to address them instead to the Senior Legal Officer, so that informal resolution of the matter can be achieved.
