Dear Andrew (Bill?),

I can confirm that the applicable Closing Order paragraphs are those which were previously identified in relation to forced movement and Toul Po Chrey, as described in E124/7.3.

The President may mention this orally this morning, but I provide this mail for the benefit of the parties in the meantime.

Best regards,
 Susan

Subject: Second Severance Order Paragraph Numbers : Request for Confirmation at Commencement of
Hearing Tomorrow

Dear Susan

At the commencement of the hearing tomorrow morning can we recommend that the President of the Trial Chamber confirm that the paragraph numbers relating to the first severance order and the consequential paragraph numbers issued in other decisions since that order including those relating to the Tuol Po Chrey Execution site automatically apply to the second severance order that the Trial Chamber issued on Friday 29 March 2013. As no paragraph numbers were given on 29 March 2013 we assume that this is the case however in the absence of the reasoned decision before the trial commences tomorrow this should resolve any uncertainty that possibly exists. Recording it in on the transcript will keep the trial record clear.

Best Regards

Andrew Cayley
