To Beloved and Missed Committee M-870

On the other day, I collected Brother Vorn's letter and yours and took them to Bang  
(brother) Chhoeun (ឃុំ) [illegibl].

[Illegible]

In addition, it was suggested by all spearheads that after the ceremony they needed  
mastery in terms of weapons in the battlefields.

Please, Angkar, be informed.

For the gasoline issues, [illegible]. It was learned that the gasoline would be sent and  
stored in Kratie and the east but it was thought that it would be difficult for us to collect it  
if it was sent and stored there. Now, it is suggested that the gasoline be stored in  
Kampong Cham in the floating tanks there. What would Angkar think of this suggestion?

Wishing you happiness and victory.  
In the warmest revolutionary fraternity.
