1. We would like to inform you about the situation at the base. The activity is like that of year 1974; there has been stone throwing onto houses at many places. People are seen at night, but we were not able to shoot them in time.
2. The situation of the 7 people remains the same. We have adopted military measures. Both the divisions and sector units are in consensus.
3. We have sent a medic to Phnom Penh in order to bring back medicines. He/she has gone with trainee(s). We seek your assistance.
4. We have not received report from the hospital regarding the combat of malaria.
 - I fail to give some Khmer medicine. We have some now.
 - When you, comrade, receive this telegram, please let us know. We request two tons of 10-by-2 centimetre nails. We wish to build a hospital but we do not have enough nails.
