សាធារណៈ / Public

Date: 13 March 2014

**TO: KONG Sophy, Chief, Court Management Services**

**FROM: President NIL Nonn, Trial Chamber**

**CC: All Trial Chamber Judges; All Parties; Trial Chamber Senior Legal Officer; Court Management Section; Interpretation and Translation Unit; Transcription Unit**

**SUBJECT: Correction of Transcripts**

1. The Trial Chamber is in receipt of an internal memorandum from the Court Management Section (“CMS”) dated 7 March 2014 seeking the Chamber’s endorsement of the proposed new procedure for correcting errors in the transcripts. CMS also seeks the Chamber’s formal instruction in relation to the insertion of a footer on each page of the corrected transcripts, referring to the corresponding Request for Correction Form.
2. The Chamber has reviewed the procedure for the correction of transcripts as described in the CMS memorandum and deems it in compliance with the applicable provisions governing the correction of documents on the case file. In particular, the Chamber also requests the insertion of a footer on the corrected transcript in order to alert the reader that the transcript has been corrected. As noted by CMS, the original transcript will also be marked appropriately and retained in the case file for record purposes.
3. Accordingly, the Chamber approves the use of the procedure for the correction of the transcript and requests CMS to immediately complete the process of placing all corrected transcript in the Case File.
