Dear Greffiers

Pursuant to Article 7.2 of the Practice Direction on the Filing of Documents, the Co-Prosecutors seek leave to file their reply to leng Sary's response to the appeal on the scope of trial in Case 002/01 (E163/5/1/3) in the English language only, with a Khmer translation to follow at the earliest opportunity, and not later than 4pm on 3 December 2012.

This request is made necessary by the fact that numerous court staff have taken leave in light of the Water Festival public holiday which starts tomorrow. Every effort is being made to finalise a translation of the Co-Prosecutors' reply before the filing deadline, but in the event that this proves impossible, the Co-Prosecutors submit that the present exceptional circumstances justify the granting of leave for an initial filing in one language only.

Kind regards

Tarik Abdulhak
