

Report

To respected base party of Tram Kak (ត្រាំកាក) District.

On 18 July 1977, one person of the 'new people category' named KHIEU Chhén (ខៀវ ឆែន) had dispute in the farm site. He stole everything, corns, cucumbers at will; the unit chief re-educated him four times, and he did not listen at all.

He spoke with price that one would have not needed to re-educate him; while living in Phnom Penh, his business was to rob; he was a big robber in Phnom Penh; he robbed so much that he had a car; he even robbed inin the Yuon country; no need to re-educate him.

He said he would not eat the morning glory soup like in the cooperative; he ate something delicious; he ate whatever he wished.

He confessed that while in 106 he had a pistol too.

Therefore, please Angkar accept this contemptible, A Chhén, to be questioned. We handed over to the Angkar to decide as we could not reeducate him.

To respected Comrade Uncle Ân (អាន់)

We sent Mân (ម៉ាន់), Second Lieutenant, this evening, about whom we had already reported to the Angkar who had decided to have him sent to the education office.

For the activity of this Mân, he committed corruption with Miss Nang (នាង ណាង) and instigated Miss Nang not to stay in the woman unit by running back and forth, leaving woman unit. We have reported about this Miss Nang to the Angkar; the Angkar decided that we send this person to the Angkar's education office; we have already done that.

Therefore, as informed above, may Comrade Uncle take this Mân for interrogation.
