Request for Opinion

Request the opinion of respected Angkar:

Solving the new people who are in conflict and take things lightly, as referred to in the letter of report which I send here as an attachment. Request that Angkar pass judgment on whether to have us send them in, or what?

Request to clarify that these new people, in the old society they had histories of hooliganism, and are enemies which people in the bases have let us know about.

This one, back in late 76, he took his wife and ran off to Samroang Tong សំរោងទង near Pursat ពោធិសាត់ once already, but [Sector] 33 in Pursat ពោធិសាត់ District sent them back, and we asked District Angkar Comrade Chim's ជឹម opinion and placed them at Pô Voan ពោធិវ៉ែន until now. Therefore, at this time, ask for Angkar's judgment on whether to have us send them or not?

Request to clarify that this family is childless, there are just the two of them, husband and wife. The wife was born in Pursat ពោធិសាត់.

Respects, with revolutionary vigilance.

## Report

Request to inform respected District Angkar.

We request to send in the following traitors:

1. Sokh Sây សុខ សាយ, a former soldier who wore stripes. This one fights and curses his wife very frequently. One day he said: That's all for me, I quit thinking about it, when I leave I'll smash the entire bloodline.
2. Bien ហ៊ឺន, a soldier, a 2<sup>nd</sup> Lieutenant in the Marines. This one never had conflicts, have no grasp on him.
3. Sim ស៊ីម, we don't know exactly what he did for sure, but according to what the people have grasped and from some things from him personally, they say he was right under the provincial governor, there was just him.
4. Prāk Saphy ប្រាក់ សាភី, a youth, studied through the final class and entered the College of Law. This one is very deep, has legal [legitimate] conflicts [ទំនាស់ស្របច្បាប់], he has not yet been tracked down. However, the year before last, after the 17 April anniversary celebration, this one secretly told a number of youth to meet in secret. When we called him in and questioned him, he said they were just going to play. At that time, they were walking together around the house of the Village Chairman, and we could not grasp [why].

So, request to send these traitors to the Party. May the Party be so informed.

Report

To respected and beloved Comrade Ăn អាន់, Tram Kak ត្រាំកក District Police!

We are having the Subdistrict Militia bring in those who held officer ranks. Their names: Keo Nēt កែវ ណេត and Chroeng ច្រឹង.

Request the Police make the decision, because these two, the base has reeducated them to the utmost of its capabilities. This one incited Chroeng ច្រឹង to run off, and he has stolen the belongings of the people constantly, never fearful. [Translator note: Remainder of this passage illegible, very poor copy.]

Report

Request to make a report to respected Angkar as follows.

After we had contacted Leay Bo លាយបូ to be on guard and arrest the enemy, the Leay Bo លាយបូ Subdistrict Militia arrested one of the people named Him Chhun ហ៊ឹម ឈុន, age 37, wife's name Nhanh Sâ Êng ញ៉ាញ ស អេង. After the liberation of the entire country, they left Takeo City to come to Popel ពពេល Subdistrict, Âmpeak Pen Village អំពាក់ពេន. According to his responses he was a merchant, the owner of a rice mill.

This one left Popel ពពេល Subdistrict on 3 May 77 to go to Prey Prakoam ព្រៃប្រគាំ without a travel letter. He responded that he had been going to see his grandmother at Prey Prakaom ព្រៃប្រគាំ to sleep there two nights and then return. This one walked until reaching Kôk Ampeou គោកអំពៅ when the brothers and sisters him brought him in South

of the Au Châmbâkk អូចំប៉ក់ hospital. This one said he was taking a shortcut going East of Watt Leay Bo វត្តលាយបូ. The Leay Bo លាយបូ Subdistrict militia sent him to my place.

We questioned and got his responses easily, meaning we did not beat him. But in fact we don't know if he reached Prey Prakaom ព្រៃប្រគាំ or not, because we questioned easily.

His accompanying belongings were only a Rado រ៉ាដូ wristwatch. We questioned and got the report, and we sent the wristwatch to District Angkar already as well. May Angkar accept this as information.

Report

Request to make a report to respected and beloved Tram Kak ត្រាំកក District Angkar on the enemy situation. Kie Kun គី គុន, a soldier, he came out of Takeo, his current residence is in Andaung Thmâ, Samrong Subdistrict. At Sre Prang ព្រៃស្រព្រាំង [Alternatively: At the dry season rice work site] he planned to kill our cadres, acting together with two of his people, one named Bun Sokhon ប៊ុន សុខុន who had worked with the American diplomat and the another namked Tai តៃ, a soldier from the Kampong Saom gasoline refinery. All three of them were close to one another, and they talked together and we grasped this. They made propaganda that no one was in charge of the revolutionary society, but there were still people working around ordering this and that, and there was still oppression. Furthermore, they said they worked day and night and had no time to lay down and hide, they could not do this, they were not machines. This Kie Kun គី គុន personally said along with his people, that when someday he would cut the hair of the Village Chairman, and when he did he would cut his throat. The above report is like the ones already sent to Angkar. This Kie Kun គី គុន, his activities have been one

after another and we cannot keep him at Sre Prang វ្រែងប្រាំង [Alternatively: at the dry season rice site], and request to send this Kie Kun គឿ គុន in to Angkar.

Questioning has confirmed that his father also was a soldier who wore three stripes. He has two younger siblings in the rice field unit: Kie Kim គឿ គីម, a soldier from Takeo; another sister named Kie Nary គឿ ណារី.

May Angkar be advised of the above information.

Propose that Comrade Ǻn អាន់ interrogate and confirm to find the network of this Kie Kun គឿ គុន. Where are they?

Report

Request to make a report to Comrade Brother as fellows.

Regarding this Him Chhun ហ៊ឹម ឈួន, he fled from Ǻmpeak Pen អំពាក់ពេន Village, Popel ពពេល Subdistrict, going along with 2nd Lieutenant Pring Príp ព្រីង ព្រិប from Trapeang Pring ត្រពាំងព្រីង Village, also in Popel ពពេល Subdistrict.

This Him Chhuon ហ៊ឹម ឈួន [sic, spelling of given name], after liberation he left Takeo City. His occupation was owner of a rice mill. After liberation, he came out to live in Popel ពពេល Subdistrict in Ǻmpeak Pen អំពាក់ពេន Village.

According to his responses, he said when he ran off from Popel ពពេល Subdistrict, he went along with 2nd Lieutenant Pring Príp ព្រីង ព្រិប. He ran off from Popel ពពេល

Subdistrict at one in the afternoon on 3 May 77, and walked near the Svay Prey ស្វាយព្រៃ market headed toward Prey Prakoam ព្រៃប្រគាំ. When he arrived at Prey Prakoam ព្រៃប្រគាំ, he went in to see his grandmother. 2nd Lieutenant Pring Príp ព្រីង ព្រីប did not dare enter, and he told Him Chhun ហ៊ឹម ឈុន, “I am going to my place of birth”, meaning Kirivong គីរីវង្ស District. The two separated near Prey Prakoam ព្រៃប្រគាំ. On 5 May 77, the Leay Bo លាយបូ Militia captured the enemy East of Watt Leay Bo វត្ត លាយបូ at 6:30 in the afternoon. He responded that he was going back to Prey Prakoam ព្រៃប្រគាំ.

But in fact, it is not known if he ever reached Prey Prakoam ព្រៃប្រគាំ or not.

Therefore, request Comrade Brother accept this information.
