

Report

Request to report to the respected Party. Since the Party decided to take Sou Lôy ស៊ី លយ and Sou Liep ស៊ី លៀប, we have agreed with the District Military Forces to come and interrogate them as follows:

1. The leader of their movement is Uk Phăt អ៊ុក ផាត់.
2. Sy ស៊ី is the hireling of Ắt Phuong អាត់ ភួង. Both of them are soldiers. He is the leader inciting the movement to attack the cooperatives. Their group includes the following:

- | | | |
|----------|------|--------------------------------------------------------|
| 1. Khēng | ខេង | Came out of Phnom Penh. |
| 2. Phus | ភស់ | A teacher in Phnom Penh. |
| 3. Nhoap | ញាប់ | Birth place is Ắng Thlok អង្គឆ្នុក (Takeo) |
| 4. Chhly | ឆ្លី | Lived in the vicinity of Phnom Penh. Left on 17 April. |

Their plans are as follows:

1. Their five year plan is to ensure the smashing of the cooperatives. If they cannot destroy them in five years, then seven years, and if they still cannot smash them, they have further plans to do whatever is necessary to wear down the cooperatives and to absolutely oppose communal dining.
2. The plans related to weapons. They have plans to contact the Yuon and Thailand and use the weapons to smash the revolution and then take Kampuchean territory and give it to the Yuon and the Thai. After Phuong ភួង was arrested and disappeared, Sy ស៊ី had a plan to meet and to strengthen their membership.

He said now that Phuong ភួង has disappeared, we must continue our activities even stronger.

So, request to send to the Party the responses of Sou Sây ស៊ី សយ and Sou Liet ស៊ី លៀត [sic].

Respect the task of smashing the enemy.

Report

Request to report on the enemy situation to the respected Tram Kak ត្រាំកក District Party Base as follows:

1. Uk Sâm អ៊ុក សំ, a soldier, an aspirant, was a driver for the Kampong Chhnang Provincial Governor named Chea Hēng ជា ហេង. This Uk Sâm អ៊ុក សំ was an aide at this provincial governor's house. He came out on 17 April to live in Ta Toem តាតឹម Village in his home district. This one has had conflicts with the line of Angkar two or three times already. The first time, he said horses eat rice, cattle eat grass, concrete houses are like tile houses, before and after it is all the same, everyone is like everyone else. This was what he said that first time.

The second time, this one exhibited activities in the kitchen. While our Angkar had us conserve, this one ate and then demanded more from the cook. He threw a pot on a table and said: I never get to eat my fill. You brag things are plentiful, but I don't know how to live. These are the words which he spoke.

2. Nhèm Nau ញ៉ែម នូ, a soldier. What rank we have not yet grasped, and we don't know his position either. Angkar has taken and smashed this one's wife, already since she opposed the line of Angkar. As we have grasped it, he wears a bracelet symbol all the time. We don't yet know what symbol it is. This one has carried out many activities. When assigned work, he plays sick with pains or fevers or headaches, and no matter what he is told, he has never worked easily since he came here. Never has a fresh face, always a black and sour face, very angry at the line of Angkar. Now if he hoes the ground even

one stroke, he has a fever for two or three days. He is always looking for tasty food.
This one is at Sre Khvav ស្រែខ្មាវ Village, right at his birth place.

Since both of the above people have exhibited enemy activities, we request to send them in at once. Request the Party Organization [អ/ក បក្ស] pass judgment in accordance with what has been reported above. Please be informed.
