

Report

Request to respectfully report the following to the Committee of the District Reeducation Office.

We have arrested and sent to you these two traitors.

1-Pech Chann (ប៊ុច ចាន់), a former soldier from Kampong Som (កំពង់ស្ពឺ), who lives in Beung Mkāk (បឹងម្កាក់) village, Trăm Kāk (ត្រាំកាក់) commune. This person conducted traitorous activity during the night of 11-10-77. He had stolen a chicken of the cooperative to cook and eat it in his house. In the past he often carried out many wrong activities, such as stealing things within the cooperative.

The other person is Uk Narin (អ៊ុក ណារិន) who is also a former soldier. This person also carried out many thefts in the cooperative. On this day, 11-10-77, Uk Narin stole cassava [from the farm] behind the Trâpeäng Kes (ត្រាំពាំងកែស) village. Our cadres caught him in the act while he was pulling out the cassava. But we do not yet know his purpose in stealing it, whether he stole it to eat or to take somewhere else.

The thievery of this man, 'A' Uk Narin, was even worse than 'A' Chann's. In 1976 'A' Uk Narin stole the clothes of people in his unit. The collective once held a meeting to educate him strongly at that time, but this man still did not change. He still commits thievery. In the past chickens and cassavas in the unit disappeared continuously, but no one was ever caught until today when the thief was caught.

Therefore, we would like to send these two men, 'A' Chann and 'A' Rın, for the Committee of the District Reeducation Center to review and decide accordingly.

Note: 'A' Uk Narin lives in Trâpeäng Kes village.

3-Sèn Keo (សែន កែវ) is a new-people-youth from [District] 109. He deserted his unit and went to Leay Bo (លាយ បូ) commune for two days. We do not yet have clear information about this man because the person in charge of his unit has not been available.
