Report

Respectfully reported to the beloved and respected Angkar of the District as follows:

I. Situation of an enemy whose name is Mou Phon (ម៉ូ ផុន), new people:

This person was member of the military of Souriyong(ទាហានខាងស្តីយ៉ង់) in 1970. And from 1971 to 1973, he knew that we were aware of the story that he was walking about spying on us for the enemy.....(*illegible*) he was assigned as a spy by the military, and we sought to arrest him in 1973, but this person learned of it and fled to Takeo.

1)- It is to confirm that: in 1973 this person was living in Russey Srok Commune, and until the liberation day of 17 April, he moved to live in O-Thngeun Village (ភូមិផ្លែឆៃ) up till today.

2)- It is to confirm also that people knew that in 1973 this person was pursued to be arrested by the Angkar, and it was assumed that he had been arrested already. But now he was not arrested yet. In 1973, this person had a girl friend whose name was Phann (ផាន់), a female farmer. And up to the present, this person has sent a letter addressed to Comrade Phann, but she did not receive it, since a representative of the Unit saw it incidentally near a house, then picked it up and read its content which talked about love affairs, and tried to follow it up further, but did not see anything happen.

3)- Regarding the assignment, this person was assigned to dig irrigation canals, he refused to go saying that he had pain in his body, for which he could not carry soil on his shoulders. When we asked him to go to work in producing the manure, this person said he could not do it, for he had a stomach ache. He did not do much physical labor, and he was very tricky.

It is to confirm that this person is not skinny, but in fact he is very fat.

I beg the Angkar to please be informed of this above person's issues; he still has many more tricks.
