 Subject: request concerning the existence of an audio recording of interview

Dear Salla,

I am writing to you on behalf of the Trial Chamber for a query regarding an audio recording of a written record of interview. In motion E348, dated 23 April 2015, the Khieu Samphan Defence requests, *inter alia*, access to the audio recording of the written record of interview of Civil Party Say Sen (doc. number in case 002/02 E319.20.2 - formerly known as D29/203).

The Chamber would kindly request the OCIJ to confirm whether or not the audio recording of this interview exists. I attach the motion for further reference.

Best regards,

Niccoló Pons
