Dear Ms. Pettay,

I have been asked to convey the below information to you in response to your email message to me of 19 April 2012:

"The emailed message sent yesterday to a number of recipients was intended for the Deputy Director of Administration and Andrew Cayley, International Co-Prosecutor.

The message was part of a brief discussion among Judge Cartwright, Mr Cayley and Mr Rosandhaug concerning the appropriate reaction to the recent SCC decision in which an appeal against a refusal to recuse Judge Cartwright had been dismissed.

The management meetings which were the subject of the recusal motion were originally convened at the request of the Office of Legal Affairs, but in light of the SCC comments, a decision has been made to discontinue them.

Future management issues should be addressed directly to the Administration."

Best regards,
Susan
