Please advise Mr Karnavas that the judges are concerned that he continues to include them in his communications, justifying this by saying that it is important. It is inappropriate for him to use this of direct communication when it is clear that you have been asked to communicate informally with parties by the TC itself.

Or at least that is my view!

Silvia

Dear Ms. Lamb,

Thank you for your prompt response. The operative word in your message is "selective." Mr. Ang U
