<i>Re</i>	Cambodia Trial Chamber / Mr V. Koppe

Dear Sir,

The Disciplinary Council has received from the Dean of the Bar Association of the district of Amsterdam the case file, with the **inventory** (annex 1) attached, in the abovementioned disciplinary case. Unless you state otherwise, the Council assumes that the documents on the inventory are known to you. The Council has recorded the complaint under the above number.

As far as any further procedure is concerned, there are generally two possibilities: either you will receive a decision from the president or you will receive a convocation to attend a session of the Disciplinary Council. If the case is decided by the president, that decision will in principle be taken on 12 March 2018. If due to circumstances the decision is taken on a different date, you will be informed by the registrar of the Council.

We enclose further **information** (annex 2) concerning the current situation within the Disciplinary Council. We advise you to read this information carefully.

Yours sincerely,
For S. van Excel, registrar
