Confirmation Report

I would like to inform the District *Angkar* as follows:

1. The number of Kampuchea Krom people and those exchanged against Yuon is 228 or 64 families;
2. The number of military families smashed by the *Angkar* and died is 393 or 106 families;
3. 892 persons or 231 military families remain.

In total, there are 1,513 people. I would like to inform the Party that there are still some other families that have not been screened to find out whether or not they are soldiers.

Kindly be informed.
