I. Personal Information:

1. Original Name: KHĀT Khán (ខាត់ ខាន់) Revolutionary name: Ri

2. Place and date of birth: Trach village, Sangkat Kampong Chen Cheung, Stoung district, Kampong Thom province. Year of birth: 1952

3. Sex, Male or Female? Nationality: Male, Khmer

4. Marital Status? Married

5. Occupation and social class before joining the Revolution:
Farming, lower middle peasant class.

6. Occupation and social class after joining the Revolution:
Devoted to serving the Revolution.

7. Before joining the Revolution, did you join any political organization? Reasons for joining the political organization?

No

8. When did you join the Revolution? Where? Date of joining? Who brought you to join? Reasons for joining the Revolution?

Kampong Chen, Sangkat Kampong Chen, Stoung district, Kampong Thom province. Joined the Revolution on 7 November 1974. Reasons for joining: I was encouraged by the line of the Revolutionary Angkar; I was hurt by the imperialist enemies and class; I realized that I should serve my country.

9. Date of joining the Organization, Youth League, Union, or becoming a core person? Where? Who brought you to join? What reason?

No

10. Have you joined the Party? When? Where? Date of joining? Who introduced you to join? The reasons for joining the Party?

No

11. Since joining the Revolution, what roles and responsibilities did you receive?

As a militant and now a group member.

12. Educational background in the previous regime? In the current regime? What qualifications do you have?

Grade 9

13. In which kinds of social conditions have you done your Revolutionary work and shared your livelihood? How much do you understand about the laborer, peasant, intellectual, capitalist, and monk class?

The laborer and peasant class people are highly devoted and able to withstand hardship in any circumstance.

14. How have you gained the Revolutionary knowledge? At school or short course training?

I have attended three short course trainings.

15. How many times have you studied your Revolutionary biography and vision? How many hours did you spend to prepare for and to go through the study?

I have studied my Revolutionary vision twice; The preparation and the actual study for the first time was two days and three days respectively; and for the second time, one day preparation and three days actual study.

16. How well do you know your character? What level? How well do you know your good and bad points? What level? How much have you changed your non-revolutionary character and your bad point? And what is the result?

I have quite a good sense of humor. I am gentle. My good point is that I work carefully and I work hard for the Party; and I do not have any major bad point but there is a point that I need to improve upon. For instance, I had not completed my tasks very well or continuously before. However, after being educated by the Party, my political consciousness is steady; and I have gradually made a lot of improvement.

II. Spouse Information if any

1. Original name: CHHORN Noeun (លីន ឆ័ន)
