Re: Request to be provided with full Introductory Submission and supporting material

Dear Co-Investigating Judges,

On 11 February 2013, in the Decision and Scheduling Order Concerning Request for Appointment of Co-Lawyers Designate (D56/3), International Co-Investigating Judge Harmon decided to “provide Mr. Ang and Mr. Karnavas, on a confidential basis and solely for the purposes of this Decision, with a redacted copy of the Co-Prosecutor’s Second Introductory Submission and all other evidentiary material referred to in this Decision, on the condition that such material shall be neither copied nor disseminated and shall be returned to the OCIJ greffiers immediately upon final determination of the Request for Assignment.”

It would greatly assist us if our team could be provided with the full Introductory Submission and its supporting material without the restrictions set out above. This would facilitate our work while our request for access to the Case File remains pending.<sup>1</sup>

We understand that the conflict of interest issue remains pending. However, we have been selected and appointed to represent Mr. MEAS Muth. We have an obligation to diligently represent him at all stages of the proceedings. Our current ability to do so is severely hampered by our lack of access to the full Introductory Submission and supporting material, as well as by our lack of access to the Case File and our restriction on communicating with our client.

<sup>1</sup> MEAS Muth’s Request to Access the Case File and Participate in the Judicial Investigation, 29 August 2013, D82.

Respectfully submitted,

**ANG Udom**

**Michael G. KARNAVAS**
