NOTICE OF APPEAL

1. Pursuant to Rule 74 (2) and 75 (1) the International Co-Prosecutor¹ files this Notice of Appeal against the Co-Investigating Judges' "Decision on Time Extension Request and Investigative Requests by the International Co-Prosecutor Regarding Case 003" dated 07 June 2011, (the "Decision").² Accordingly, pursuant to Rule 75 (3) and (4), the International Co-Prosecutor notifies the Co-Investigating Judges and the Pre-Trial Chamber that he will file with the Pre-Trial Chamber within 30 days of this Decision his submissions on appeal. These submissions will contain the reasons of fact and law upon which the appeal is based together with all supporting documents. So as not to render the right to appeal meaningless the International Co-Prosecutor considers this now impugned Decision, remains stayed, unless the Pre-Trial Chamber orders otherwise pending their final decision on the appeal.

Respectfully submitted,

¹ This Notice of Appeal is filed by the International Co-Prosecutor alone as the National Co-Prosecutor disagrees with this action. Although the International Co-Prosecutor considers recording this disagreement is not necessary for the filing to be valid, it nonetheless has been recorded in a register of disagreements kept by the Greffier of the Co-Prosecutors to ensure it is in compliance with the decision of the Co-Investigating Judges which is the subject of this Appeal.
