STATEMENT OF HIS ROYAL HIGHNESS PRINCE NORODOM SIHANOUK, HEAD OF STATE OF THE KINGDOM OF CAMBODIA AND PRESIDENT OF THE CAMBODIA UNITED NATIONAL FRONT

In their statements before the United Nations, some delegations at the 29<sup>th</sup> session of the United Nations General Assembly – in particular those of Thailand, the Philippines, Japan, Indonesia, some of which countries are allies or well-known satellites of the imperialist USA and other the well-known accomplices of Us imperialism – attacked the Kingdom of Cambodia, a member of the United Nations since 1955, and its Government (G.R.U.N.C.), by pleading the wrong cause of the so-called “Khmer Republic”.

According to these delegations:

1. GRUNC is merely a “government in exile” without a popular base or territory;
2. The war in Cambodia is a purely internal matter for the people of Cambodia;
3. The United Nations has no right to deal with the Cambodian question, although Cambodia is victim of the neo-colonialist aggression of the United States, another member of the United Nations;
4. The so-called “Khmer Republic” was formed on a “legal and constitutional” basis, with the approval and support of the Cambodian people.

On behalf of the Cambodian people, who have, since 1970, suffered the neo-colonialist aggression of the United States, and on behalf of the United National Front of Cambodia (F.U.N.C), the Royal Government of National Union of Cambodia (G.R.U.N.C) and the Popular National Armed Forces for the Liberation of Cambodia (F.A.P.L.N.C), I am registering a formal protest against the falsehoods propagated at the United Nations by a handful of accomplices of United States imperialism to the detriment of F.U.N.C, G.R.U.N.C and F.A.P.L.N.C. and against the shameless misrepresentations of Cambodian realities and the historical events that occurred in Cambodia (between March 1970 and the present time) by these same people and their respective governments, all dedicated to United States imperialism.

It is once again my duty to re-establish the Truth about my country, Cambodia.

I. G.R.U.N.C is not a government in exile

Currently all GRUNC ministers, with the exception of Sarin Chhak, Minster of Foreign Affairs (currently delayed abroad for reasons of international diplomacy), are in Cambodia, inside the liberated zone. They are:

1. Mr Khieu Samphan, Vice Prime Minister (actually acting Prime Minister in the country in the absence of the Prime Minister, Samdech Penn Nouth who is receiving treatment in China). Mr Samphan is also Minister of National Defence and Commander-in-Chief of F.A.P.L.N.C. Mr Samphan recently left Cambodia to appear “in the flesh” on the international scene, as did two other members of GRUNC.
2. Mr Hou Youn, Minister of the Interior, Communal Reforms and Cooperatives;
3. Mr Hu Nim, Minister of Information;
4. His Highness Prince Norodom Phurissara, Minister of Justice;
5. Dr Thounn Thioeunn, Minister of Public Health;
6. Mr Toch Phoeun, Minister of Public Works, Telecommunications and Reconstruction;
7. Mr Chou Chet, Minister of Religious and Social Affairs;
8. Mrs Ieng Thirith, Minister of Popular Education and Youth;
9. Mr Koy Thuon, Minister of the National Economy and Finance;
10. Mr Men San, Minister of Military Equipment and Armaments.

Today, even the Americans admit that the head of our government (GRUNC) in Cambodia, Mr Khieu Samphan, is playing a distinguished role both locally within Cambodia and on the international scene. These Americans even admit that in Phnom Penh, Lon Nol's officials profoundly admire Mr Khieu Samphan and have only scorn for their superiors, the lackeys of American imperialism.
